Unit Overview

Unit 4 explores how political ideologies affected the behavior of nations during the 20th century; what factors can lead to global/world conflicts (war) ; how new technology can affect warfare; how depressions/recessions impact people's confidence in their government; over arching effects of nationalism. The theme of this unit is the evolution from causes to effects

Enduring Understanding

1. Reformers moved to protect workers from the ills of unfettered capitalism.
2. Struggles for wealth, power, and resources lead to tensions amongst world powers that still continues into the present.
3. Colonies moved for self-rule, self-government, and home-rule from Imperial Powers.
4. The spread of and resistance to democracy.
5. Science, technology, and globalization are factors that are changing and leading the world into the 21st century

Essential Questions

1. To what extent have ideologies affected the behavior of nations?
2. What factors can lead to global/world conflicts?
3. How new technology can affect warfare?
4. How depressions/recessions impact people's confidence in their government?
5. How nationalism influences the historical path of the world's nations?
6. How nations try to defend themselves in the Nuclear Age?
7. How globalization has made the world "smaller"?

Exit Skills

By the end of Unit 4,

1. Students should be able to apply domain-specific vocabulary in their verbal and written responses, essays and papers.
2. Students should be able to choose a side to a query and provide logical argument for their choice.
3. Students should be able to deductively use new information and logically apply this evidence to a related problem.
4. Students should be able to inductively gather information and deduce a theory based on their findings.
5. Students should be able to gather information in meaningful clusters and apply their findings to specific problems.

- teacher initiated weekly assignment sheet
- Use open book, study guides, test prototypes

English Language Learning (ELL)

allowing students to work with other English speaking students on specific assignments

true/false assessments about the leaders of the Triple Alliance.

use of translation technologies

- teaching key aspects of a topic. Eliminate nonessential information
- using videos, illustrations, pictures, and drawings to explain or clarify
- allowing products (projects, timelines, demonstrations, models, drawings, dioramas, poster boards, charts, graphs, slide shows, videos, etc.) to demonstrate student's learning;
- allowing students to correct errors (looking for understanding)
- allowing the use of note cards or open-book during testing
- decreasing the amount of work presented or required
- having peers take notes or providing a copy of the teacher's notes
- modifying tests to reflect selected objectives
- providing study guides
- reducing or omitting lengthy outside reading assignments

- reducing the number of answer choices on a multiple choice test
- tutoring by peers
- using computer word processing spell check and grammar check features
- using true/false, matching, or fill in the blank tests in lieu of essay tests

At Risk

Talented and Gifted Learning (T&G)

debate if about how the Great Depression affected today's society.

investigate the ways the World Wars changed society today.

- Above grade level placement option for qualified students

- Advanced problem-solving
- Allow students to work at a faster pace
- Cluster grouping
- Complete activities aligned with above grade level text using Benchmark results
- Create a blog or social media page about their unit
- Create a plan to solve an issue presented in the class or in a text
- Debate issues with research to support arguments
- Flexible skill grouping within a class or across grade level for rigor
- Higher order, critical & creative thinking skills, and discovery
- Multi-disciplinary unit and/or project
- Teacher-selected instructional strategies that are focused to provide challenge, engagement, and growth opportunities
- Utilize exploratory connections to higher-grade concepts
- Utilize project-based learning for greater depth of knowledge
