Sample Lesson

First Grade, Unit 4: Animals Everywhere

NJSLS: Linked Below

Interdisciplinary Connection: Social Studies

Statement of Objective: Students will be able to use the strategy "sound out words" when they come across an unknown word.

Anticipatory Set/Do Now: "Boys and girls, it's time to THINK NOW! As you join me in the carpet think about yesterday's skill, breaking and joining letter sounds to make words, and how you used this skill when you practiced reading on your own."

Learning Activity:

Connection (1 minute)

"Remember, we learned that the letters of the alphabet make different sounds. For example, last week we learned that ai, a_e, and ay make the long A sound. Some words that have the long a sound are: cake, pay, and made. (Give additional examples as necessary). Good readers blend letter sounds to make a word. When we read, it is important to blend these letter sounds together to make a word." "Today I'm going to teach you that when good readers come to a word they do not know, they take the time to sound it out."

Teaching (5 min)

Give Students a Brief Description of Strategy and Why It's Important

- "Boys and girls, sometimes when I am reading, I come across a word I do not know. Instead of skipping the word, I take the time to sound it out by blending the letter sounds."

- "Good readers do this because it helps them understand what they are reading."

Let me show you what I mean

- Teacher: Before reading the short story "A Team of Fish", display the long /e/ words.

- “Boys and girls, the letters e, ee, ea, and ie make the long /e/ sound as in sea, meat, and chief. Let’s begin reading and see if we can sound out some long e words we don’t know.”

- “Fish swim in lakes and...hmmm... I don’t recognize this word. Let me sound it out. /c/ /r/ /ee/ /k/. I see a double /ee/. I know that makes the long E sound. Let’s try sounding it out again....CREEK. The word is creek.”

(Model with additional words as necessary)

Recap Did you see what I did?

“Did you see how when I came to a word I did not know that I stopped, sounded out the word by blending the letter sounds?”

Active Engagement (3 min)

Allows for guided practice

Now it’s your turn to try this.....

Teacher: Use the Wonders Online Platform. In Unit 4, Week 2, find the Phonics Activity: Isolation Long E. Display the Qu_n (Queen) phonics activity page.

“By looking at the picture, I know that this word is QUEEN. Look at these two words. Turn and talk to your partner and sound out each word. Which word has the long e sound?” After 2 minutes, purposefully choose two readers to share how they blended the letter sounds to say the words “real and “rent”. Also have a student tell which word has the long /e/ sound.

Allow for additional practice as necessary.

Link (1 min) Linking mini lesson to their independent work

“Today, I just taught you that when good readers come to a word they do not know, they take the time to sound it out.”

“When you go off to read today, you’re going to practice blending the letter sounds to make a word while you read your own books. Now that you know this is something that good readers do, you can use this skill whenever you read.”

***Note: Add this strategy to your Unit anchor chart.**

Independent Reading

Suggested time: Build to 30 minutes over the school year.

- Students are reading independently.
- Teacher is differentiating instruction by pulling students for conferencing/ small group instruction.

Share

End of workshop - Whole Group Share

Options:

- Have students share a word they were struggling with and how they blended letter sounds to make the word.

- Praise behaviors that were observed during students’ independent reading.

Sample talk: “Suzie, I really loved that when you came to a word that you were struggling with, you took the time to sound it out instead of skipping it. I know you were really

trying to applying the strategy of sounding out unknown words. Nice job, Suzie!!”

- Review previously taught strategies and skills.

Sample talk: “ You all did such a great job blending the sounds of unknown words today. I want to remind all of you that good readers continue to practice all of the skills and strategies that they have learned such as....”
