

Unit 2: Our Community

Content Area: **ELL**
Course(s): **ELL Gr. 1**
Time Period: **OctNov**
Length: **30 Days**
Status: **Published**

Unit 2: Our Community

Department of Curriculum and Instruction

Belleville Public Schools

Curriculum Guide

First Grade English Language Learners (ELL)

Unit 2: Our Community

Belleville Board of Education

102 Passaic Avenue

Belleville, NJ 07109

Prepared by: Ms. Shannon Mulvaney

Dr. Richard Tomko, Ph.D., M.J., Superintendent of Schools

Ms. LucyAnn Demikoff, Director of Curriculum and Instruction K-12

Ms. Nicole Shanklin, Director of Elementary Education

Mr. George Droste, Director of Secondary Education

Board Approved: September 23, 2019

Unit Overview

"Wonders for English Learners offers instruction specifically designed to create learning experiences that inspire confidence, increase student engagement, and build language skills. Lessons emphasize building speaking, listening, reading, and writing skills to improve both academic and social language and accelerate progress in the core classroom. All instruction connects with core Wonders content, providing a seamless pathway for students to access content at their proficiency level, build understanding, and engage in the core classroom."

In Unit Two, ELLs explore the concept of a community. They learn that a community is a group of people living and working together peacefully and happily. This discussion leads ELLs to make the connection between school and their own community. The unit includes concepts of jobs around town, buildings around us, a community in nature, people helping one another in the community, and following a map.

Enduring Understandings

Week 1. Describe different jobs in a community and that jobs purpose as well as explaining what tools are needed to complete that job.

Week 2. Name and describe different buildings in a community and around the country/world and what they are made of.

Week 3. Describe where animals live together by describing their habitats.

Week 4. Understand that people can help in a community and name people that the children admire in their community that help others.

Week 5. Apply what children learned about maps to find their way around.

Essential Questions

During Unit 2, students will explore different themes and scenarios that will guide them in formulating their own thoughtful responses to this unit's BIG IDEA: "What makes a community?" Below, see how the BIG IDEA is explored through weekly "Concepts" and "Essential Questions" which form the basis for exploration and discussion throughout the week.

Week 1:

Concept: Jobs Around Town

Essential Question: What jobs need to be done in a community?

Week 2:

Concept: Building All Around

Essential Question: What buildings do you know? What are they made of?

Week 3:

Concept: A Community in Nature

Essential Question: Where do animals live together?

Week 4:

Concept: Let's Help

Essential Question: How do people help out in the community?

Week 5:

Concept: Follow the Map

Essential Question: How can you find your way around?

Exit Skills

By the end of the unit, students will be able to:

- Use reading strategies to a comprehend text
- Use reading strategies to ask questions about text
- Identify characteristics of different types of genres
- Read and write grade level specific high-frequency words
- Apply grade level phonics skills
- Utilize writing traits to create grade appropriate writing pieces

New Jersey Student Learning Standards (NJSL)

LA.L.1.1	Demonstrate command of the conventions of standard English grammar and usage when writing or speaking.
LA.L.1.2	Demonstrate command of the conventions of standard English capitalization, punctuation, and spelling when writing.
LA.L.1.4	Determine or clarify the meaning of unknown and multiple-meaning words and phrases based on grade 1 reading and content, choosing flexibly from an array of strategies.
LA.L.1.5	With guidance and support from adults, demonstrate understanding of figurative language, word relationships and nuances in word meanings.
LA.L.1.6	Use words and phrases acquired through conversations, reading and being read to, and responding to texts, including using frequently occurring conjunctions to signal simple relationships (e.g., because).
LA.W.1.1	Write opinion pieces in which they introduce the topic or name the book they are writing about, state an opinion, supply a reason for the opinion, and provide some sense of closure.
LA.W.1.3	Write narratives in which they recount two or more appropriately sequenced events, include some details regarding what happened, use temporal words to signal event order, and provide some sense of closure.
LA.W.1.4	(Begins in grade 3)
LA.W.1.5	With guidance and support from adults, focus on a topic, respond to questions and

suggestions from peers and self-reflection, and add details to strengthen writing and ideas as needed.

- LA.W.1.6 With guidance and support from adults, use a variety of digital tools to produce and publish writing, including in collaboration with peers.
- LA.W.1.8 With guidance and support from adults, recall information from experiences or gather information from provided sources to answer a question.
- LA.RF.1.1.A Recognize the distinguishing features of a sentence (e.g., first word, capitalization, ending punctuation).
- LA.RF.1.2 Demonstrate mastery of spoken words, syllables, and sounds (phonemes) by using knowledge that every syllable must have a vowel sound to determine the number of syllables in a printed word.
- LA.RF.1.2.A Distinguish long from short vowel sounds in spoken single-syllable words.
- LA.RF.1.2.B Orally produce single-syllable words by blending sounds (phonemes), including consonant blends.
- LA.RF.1.2.C Isolate and pronounce initial, medial vowel, and final sounds (phonemes) in spoken single-syllable words.
- LA.RF.1.2.D Segment spoken single-syllable words into their complete sequence of individual sounds (phonemes).
- LA.RF.1.3 Know and apply grade-level phonics and word analysis skills in decoding words.
- LA.RF.1.3.B Decode regularly spelled one-syllable words.
- LA.RF.1.3.D Distinguish long and short vowels when reading regularly spelled one-syllable words.
- LA.RF.1.3.E Decode two-syllable words following basic patterns by breaking the words into syllables using knowledge that every syllable must have a vowel sound.
- LA.RF.1.4 Read with sufficient accuracy and fluency to support comprehension.
- LA.RI.1.1 Ask and answer questions about key details in a text.
- LA.RI.1.2 Identify the main topic and retell key details of a text.
- LA.RI.1.3 Describe the connection between two individuals, events, ideas, or pieces of information in a text.
- LA.RI.1.4 Ask and answer questions to help determine or clarify the meaning of words and phrases in a text.
- LA.RI.1.5 Know and use various text features (e.g., headings, tables of contents, glossaries, electronic menus, icons) to locate key facts or information in a text.
- LA.RI.1.6 Distinguish between information provided by pictures or other illustrations and information provided by the words in a text.
- LA.RI.1.7 Use the illustrations and details in a text to describe its key ideas.
- LA.RI.1.8 Identify the reasons an author gives to support points in a text and explain the application of this information with prompting as needed.
- LA.RI.1.9 Identify basic similarities in and differences between two texts on the same topic (e.g., in illustrations, descriptions, or procedures).
- LA.RI.1.10 With prompting and support, read informational texts at grade level text complexity or above.
- LA.RL.1.1 Ask and answer questions about key details in a text.
- LA.RL.1.2 Retell stories, including key details, and demonstrate understanding of their central message or lesson.
- LA.RL.1.3 Describe characters, settings, and major event(s) in a story, using key details.

LA.RL.1.4	Identify words and phrases in stories or poems that suggest feelings or appeal to the senses.
LA.RL.1.5	Explain major differences between books that tell stories and books that give information, drawing on a wide reading of a range of text types.
LA.RL.1.6	Identify who is telling the story at various points in a text.
LA.RL.1.7	Use illustrations and details in a story to describe its characters, setting, or events.
LA.RL.1.9	Compare and contrast the adventures and experiences of characters in stories.
LA.RL.1.10	With prompting and support, read and comprehend stories and poetry at grade level text complexity or above.
LA.SL.1.1	Participate in collaborative conversations with diverse partners about grade 1 topics and texts with peers and adults in small and larger groups.
LA.SL.1.2	Ask and answer questions about key details in a text read aloud or information presented orally or through other media.
LA.SL.1.3	Ask and answer questions about what a speaker says in order to gather additional information or clarify something that is not understood.
LA.SL.1.4	Describe people, places, things, and events with relevant details, expressing ideas and feelings clearly.
LA.SL.1.5	Add drawings or other visual displays to descriptions when appropriate to clarify ideas, thoughts, and feelings.
LA.SL.1.6	Produce complete sentences when appropriate to task and situation.

Interdisciplinary Connections

SOC.6.1.4	U.S. History: America in the World: All students will acquire the knowledge and skills to think analytically about how past and present interactions of people, cultures, and the environment shape the American heritage. Such knowledge and skills enable students to make informed decisions that reflect fundamental rights and core democratic values as productive citizens in local, national, and global communities.
SOC.6.1.4.A.15	Explain how and why it is important that people from diverse cultures collaborate to find solutions to community, state, national, and global challenges.
SOC.6.1.4.B.1	Compare and contrast information that can be found on different types of maps and determine how the information may be useful.
SOC.6.1.4.B.3	Explain how and when it is important to use digital geographic tools, political maps, and globes to measure distances and to determine time zones and locations using latitude and longitude.
SOC.6.1.4.B.5	Describe how human interaction impacts the environment in New Jersey and the United States.
SOC.6.1.4.B.8	Compare ways people choose to use and distribute natural resources.
SOC.6.1.4.B.10	Identify major cities in New Jersey, as well as in the United States, and the world, and explain how geographic and demographic tools (e.g., maps, globes, data visualizations) can be used to understand cultural differences.
SOC.6.3.4	Active Citizenship in the 21st Century: All students will acquire the skills needed to be active, informed citizens who value diversity and promote cultural understanding by working collaboratively to address the challenges that are inherent in living in an interconnected world.

Learning Objectives

- Develop and expand oral vocabulary.
- Elaborate and ask questions to request clarification.
- Support ideas with text evidence.
- Determine the main ideas and supporting details.
- Paraphrase information to demonstrate understanding.
- Collaborate to converse about a topic.
- Describe traits of a character.
- Recognize different types of sentences.
- Write sentences to respond to a prompt.
- Form opinions.
- Ask and answer questions about key details in a text.
- Discuss activities and events that occur in a story.
- Develop language to use when talking about a topic.
- Identify and read High-Frequency Words.
- Identify and practice phonemes within words.
- Retell a story.
- Create words with Word Building Cards.
- Identify complete sentences and fragments.
- Draw conclusions about a character's feelings.
- Create an informational writing piece that describes characters in a story.
- Participate in an interactive Read Aloud.
- Summarize information.
- Identify similarities and differences.
- Respond to the text by revisiting the essential question, discussing it, and writing about it.
- Use conjunctions to connect sentences.
- Answer questions about a piece of writing.
- Write to a specific prompt by either labeling, writing a caption or complete sentences.

Suggested Activities & Best Practices

Unit 2, Week 1

- Have children draw themselves doing a job that they would like to have. Guide them to work with a partner to write a sentence about their picture, explaining what their job is and how it helps the community. Children should help each other with sentences for their pictures and then read their sentence aloud to their partner.
- Remind children that your job in the community is as a teacher in their school. Point out that there are many other people working in their school. Guide children to name other jobs in the school. Make a list. Talk about how each job helps the community. To help them add to the list, guide children to talk about what they do at school and who help them, using sentences frames and prompts.
- Ask children to think of a place where many people work and name those jobs and how they help. Have children work in pairs and ask them to present their ideas to the class, taking turns speaking about jobs and how they help.

Unit 2, Week 2

- Ask students to work in pairs to write a four-line poem about the buildings they live in and go to school in. Offer language frames to help them with each line. "I live in a building that is made of _____.", "My home has _____ and _____.", "I got to school in a building that is made of _____.", "My school has _____ and _____."
- Read "Where In The World? Famous Buildings and Landmarks" by Baby Professor

Unit 2, Week 3

- Create a new rhyme. Challenge pairs of children to generate new verses that name another animal or insect. Guide children to brainstorm ideas. Ask: What living thing would you like to make a rhyme about? Where does that living thing like to spend time? List suggestions from which children can choose (Butterflies-flowers, squirrels-tree branch; foxes-log). Have each pair complete sentence frames "Five _____ sitting/floating/swimming on a _____." "One _____ and now there are four."
- Have pairs illustrate their new lines showing the animal or insect near a place in their habitat.
- Tell students you are going to take a vote on which is the most dangerous and least dangerous animal. Write alligators, raccoons, turtles, and ducks, name each one, and ask children to raise their hands to vote. Discuss the results.

Unit 2, Week 4

- Have children draw themselves helping in one of the communities that have been discussed. Children can work with peers to add labels and captions, using the words and frames they have been learning.
- Point out that there are many ways children can get involved in helping their community. Guide children to think of the different communities that they are a part of; school, neighborhood, and town. Make a list. Talk briefly about how they can help in each type of community.
- Think Ahead - have children think about how they can make sure that people are not excluded in the future. Ask: What rules can you have in place in the classroom, for example, so that it is a fair and equal environment? In small group, have children come up with a small list of classroom rules to ensure that children will be treated fairly and equally.

Unit 2, Week 5

- Have children write a sentence or two about the two friends on the My Language Book page. Encourage them to use the words and frames they have been learning and remind them to listen for and write all of the sounds they hear in the words.
- Where am I? Here I am! - have children draw a simple diagram consisting of three or more circles within one another. In the first circle, the smallest circle, have children draw a simple picture of themselves or write the word Me. Then, have children draw a larger circle around that small one. Label that circle school. Continue to add one more circle around the previously drawn circle. Expand the geographic space and use terms, such as neighborhood and town.
- Tell a Story - pair children. Have partners tell a story about the two friends that live on this map. Encourage them to answer these questions in their story: Where did the two friends go? How did they get there? What did they do there? How did they feel?

Assessment Evidence - Checking for Understanding (CFU)

Unit Assessment:

- Listening Comprehension
 - Reading Comprehension
 - Vocabulary
 - Grammar
 - Speaking
 - Writing
 - Option for Paper/Pencil and Digital Assessments
-
- Admit Tickets
 - Anticipation Guide
 - Common Benchmarks
 - Compare & Contrast
 - Create a Multimedia Poster
 - DBQ's
 - Define
 - Describe
 - Evaluate
 - Evaluation rubrics
 - Exit Tickets
 - Explaining
 - Fist- to-Five or Thumb-Ometer
 - Illustration
 - Journals
 - KWL Chart
 - Learning Center Activities
 - Multimedia Reports
 - Newspaper Headline
 - Outline
 - Question Stems
 - Quickwrite
 - Quizzes
 - Red Light, Green Light

- Self- assessments
- Socratic Seminar
- Study Guide
- Surveys
- Teacher Observation Checklist
- Think, Pair, Share
- Think, Write, Pair, Share
- Top 10 List
- Unit review/Test prep
- Unit tests
- Web-Based Assessments
- Written Reports

Primary Resources & Materials

- My Language Book
- Literature Big Books
- Big Book and Little Book Reading/Writing Workshop
- Retelling Cards
- Interactive Read-Aloud Cards
- Visual Vocabulary Cards
- Decodable Readers
- Leveled Readers
- Literature Anthology

Ancillary Resources

- Sound-Spelling Cards
- High-Frequency Cards
- Photo Cards
- eBooks
- Differentiated Texts
- Student Practice Worksheets

Technology Infusion

- <https://my.mheducation.com/login>
- Interactive Read Alouds
- Digital Visual Vocabulary Cards
- Laptops
- Smartboard
- Multimedia Library
- Listening Library
- Computer Based Assessments
- Weekly and Unit Video Clip Openers

Alignment to 21st Century Skills & Technology

Mastery and infusion of **21st Century Skills & Technology** and their Alignment to the core content areas is essential to student learning. The core content areas include:

- English Language Arts;
- Mathematics;
- Science and Scientific Inquiry (Next Generation);
- Social Studies, including American History, World History, Geography, Government and Civics, and Economics;
- World languages;
- Technology;
- Visual and Performing Arts.

CRP.K-12.CRP1.1

Career-ready individuals understand the obligations and responsibilities of being a member of a community, and they demonstrate this understanding every day through their interactions with others. They are conscientious of the impacts of their decisions on others and the environment around them. They think about the near-term and long-term consequences of their actions and seek to act in ways that contribute to the betterment of their teams, families, community and workplace. They are reliable and consistent in going beyond the minimum expectation and in participating in activities that serve the greater good.

CRP.K-12.CRP2.1	Career-ready individuals readily access and use the knowledge and skills acquired through experience and education to be more productive. They make connections between abstract concepts with real-world applications, and they make correct insights about when it is appropriate to apply the use of an academic skill in a workplace situation.
TECH.8.1.2	Educational Technology: All students will use digital tools to access, manage, evaluate, and synthesize information in order to solve problems individually and collaborate and to create and communicate knowledge.
TECH.8.1.2.A.1	Identify the basic features of a digital device and explain its purpose.
TECH.8.1.2.A.4	Demonstrate developmentally appropriate navigation skills in virtual environments (i.e., games, museums).
TECH.8.1.2.A.CS2	Select and use applications effectively and productively.

21st Century Skills/Interdisciplinary Themes

- Communication and Collaboration
- Creativity and Innovation
- Critical thinking and Problem Solving
- ICT (Information, Communications and Technology) Literacy
- Information Literacy
- Life and Career Skills
- Media Literacy

21st Century Skills

- Civic Literacy
- Environmental Literacy
- Financial, Economic, Business and Entrepreneurial Literacy
- Global Awareness
- Health Literacy

Differentiation

- Leveled Readers
- Differentiated Text
- The process will be differentiated through supplying three tiers of questioning for basic, intermediate, and advanced learners
- Student Practice Worksheets

Differentiations:

- Small group instruction
- Small group assignments
- Extra time to complete assignments
- Pairing oral instruction with visuals
- Repeat directions
- Use manipulatives
- Center-based instruction
- Token economy
- Study guides
- Teacher reads assessments allowed
- Scheduled breaks
- Rephrase written directions
- Multisensory approaches
- Additional time
- Preview vocabulary
- Preview content & concepts
- Story guides
- Behavior management plan
- Highlight text
- Student(s) work with assigned partner
- Visual presentation
- Assistive technology
- Auditory presentations
- Large print edition
- Dictation to scribe
- Small group setting

Hi-Prep Differentiations:

- Alternative formative and summative assessments
- Choice boards
- Games and tournaments
- Group investigations
- Guided Reading
- Independent research and projects
- Interest groups
- Learning contracts
- Leveled rubrics
- Literature circles
- Multiple intelligence options
- Multiple texts
- Personal agendas
- Project-based learning
- Problem-based learning
- Stations/centers
- Think-Tac-Toes
- Tiered activities/assignments
- Tiered products
- Varying organizers for instructions

Lo-Prep Differentiations

- Choice of books or activities
- Cubing activities
- Exploration by interest
- Flexible grouping
- Goal setting with students
- Jigsaw
- Mini workshops to re-teach or extend skills
- Open-ended activities
- Think-Pair-Share
- Reading buddies
- Varied journal prompts
- Varied supplemental materials

Special Education Learning (IEP's & 504's)

- If children are unable to respond with phrases or short sentences then provide frames to help them.
- If children struggle to label their drawings then review with them the list of theme words from Day 4.
- Special Education and Resource Room Teachers will have access to Wonder Works. This product has differentiated foundational skills practice, instructional support, and assessment. Additionally, phonological awareness, phonemic awareness, phonics, and structural analysis at students' individual levels are also covered with this supplemental program. It mirrors all of the skills and strategies of the Wonders reading series.

- printed copy of board work/notes provided
- additional time for skill mastery
- assistive technology
- behavior management plan
- Center-Based Instruction
- check work frequently for understanding
- computer or electronic device utilizes
- extended time on tests/ quizzes
- have student repeat directions to check for understanding
- highlighted text visual presentation
- modified assignment format
- modified test content
- modified test format
- modified test length
- multiple test sessions

- multi-sensory presentation
- preferential seating
- preview of content, concepts, and vocabulary
- Provide modifications as dictated in the student's IEP/504 plan
- reduced/shortened reading assignments
- Reduced/shortened written assignments
- secure attention before giving instruction/directions
- shortened assignments
- student working with an assigned partner
- teacher initiated weekly assignment sheet
- Use open book, study guides, test prototypes

English Language Learning (ELL)

- Have children draw and label/caption pictures.
- Ask and answer questions about this week's essential question for beginning, intermediate and advanced learners.
- Retelling Cards - Students can retell their favorite selection using the retelling prompts.
- ESL Teachers will have access to Wonder Works. This product has differentiated foundational skills practice, instructional support, and assessment. Additionally, phonological awareness, phonemic awareness, phonics, and structural analysis at students' individual levels are also covered with this supplemental program. It mirrors all of the skills and strategies of the Wonders reading series. Furthermore, there are lessons designed to meet the needs of Beginning, Intermediate, and Advanced ESL students.

- teaching key aspects of a topic. Eliminate nonessential information
- using videos, illustrations, pictures, and drawings to explain or clarify
- allowing products (projects, timelines, demonstrations, models, drawings, dioramas, poster boards, charts, graphs, slide shows, videos, etc.) to demonstrate student's learning;
- allowing students to correct errors (looking for understanding)
- allowing the use of note cards or open-book during testing
- decreasing the amount of work presented or required
- having peers take notes or providing a copy of the teacher's notes
- modifying tests to reflect selected objectives
- providing study guides
- reducing or omitting lengthy outside reading assignments
- reducing the number of answer choices on a multiple choice test
- tutoring by peers
- using computer word processing spell check and grammar check features

- using true/false, matching, or fill in the blank tests in lieu of essay tests

At Risk

- Use online Reteaching lessons for phonemic awareness, phonics, high-frequency words, and vocabulary.
- Use the Language Development Cards for grammar and vocabulary.

- allowing students to correct errors (looking for understanding)
- teaching key aspects of a topic. Eliminate nonessential information
- allowing products (projects, timelines, demonstrations, models, drawings, dioramas, poster boards, charts, graphs, slide shows, videos, etc.) to demonstrate student's learning
- allowing students to select from given choices
- allowing the use of note cards or open-book during testing
- collaborating (general education teacher and specialist) to modify vocabulary, omit or modify items to reflect objectives for the student, eliminate sections of the test, and determine how the grade will be determined prior to giving the test.
- decreasing the amount of work presented or required
- having peers take notes or providing a copy of the teacher's notes
- marking students' correct and acceptable work, not the mistakes
- modifying tests to reflect selected objectives
- providing study guides
- reducing or omitting lengthy outside reading assignments
- reducing the number of answer choices on a multiple choice test
- tutoring by peers
- using authentic assessments with real-life problem-solving
- using true/false, matching, or fill in the blank tests in lieu of essay tests
- using videos, illustrations, pictures, and drawings to explain or clarify

Talented and Gifted Learning (T&G)

Unit 2, Week 1

- Say: Let's talk about the most important job you learned about. What do you think about that job? Would you like to do that job? Why? What would happen if we didn't have someone to do that job?
- Have children draw and write about the jobs in Millie Waits for the Mail and how they affect the characters at the beginning, middle, and end of the story. Children should try to use complete sentences.

Unit 2, Week 2

- Say: Describe a brick building in our town. Tell me about its size and its doors and windows. Why was brick a good choice?
- Have children draw and write about how the eagle tried to enter the stone house. Children should try to use complete sentences.

Unit 2, Week 3

- Ask: What are some similarities and differences among the habitats and animals we learned about?
- Have children draw pictures that compare two habitats and the animals that live there. Children should try to use complete sentences.

Unit 2, Week 4

- Say: Think of someone you admire. What do they do in the community that you look up to? What can you do to have similar qualities?
- Have children draw and write about how Martin Luther King, Jr's dream has come true in our community.

Unit 2, Week 5

- Say: Name several different types of maps. If you were lost, how would a map help you? Explain a time when you used a map.
- Have children draw and write sentences about their bedroom, their house, their street, their city, their state, and their country.

- Above grade level placement option for qualified students
- Advanced problem-solving
- Allow students to work at a faster pace
- Cluster grouping
- Complete activities aligned with above grade level text using Benchmark results
- Create a blog or social media page about their unit
- Create a plan to solve an issue presented in the class or in a text
- Debate issues with research to support arguments
- Flexible skill grouping within a class or across grade level for rigor
- Higher order, critical & creative thinking skills, and discovery
- Multi-disciplinary unit and/or project
- Teacher-selected instructional strategies that are focused to provide challenge, engagement, and growth opportunities
- Utilize exploratory connections to higher-grade concepts
- Utilize project-based learning for greater depth of knowledge
