Unit Overview

"Wonders for English Learners offers instruction specifically designed to create learning experiences that inspire confidence, increase student engagement, and build language skills. Lessons emphasize building speaking, listening, reading, and writing skills to improve both academic and social language and accelerate progress in the core classroom. All instruction connects with core Wonders content, providing a seamless pathway for students to access content at their proficiency level, build understanding, and engage in the core classroom."

In Unit Six, ELLs think about what is important to them. They also note that different things are important at different times. Topics covered in Unit Six include treasures, weather, learning to succeed, animals and you, and funny times.

Enduring Understandings

Week 1. Investigate what kinds of things are important.

Week 2. Identify how weather affects us and ways people prepare for weather.

Week 3. Draw conclusions about why goals are important.

Week 4. Investigate how people can learn about animals.

Week 5. Investigate what people find funny.

Essential Questions

During Unit 6, students will explore different themes and scenarios that will guide them in formulating their own thoughtful responses to this unit's BIG IDEA: "How do we decide what's important?" Below, see how the BIG IDEA is explored through weekly "Concepts" and "Essential Questions" which form the basis for exploration and discussion throughout the week.

Week 1:

Concept: Treasures

Essential Question: How do you decide what's important?

Week 2:

Concept: Weather

Essential Question: How can weather affect us?

Week 3:

Concept: Learning to Succeed

Essential Question: Why are goals important?

Week 4:

Concept: Animals and You

Essential Question: How can learning about animals help you respect them?

Week 5:

Concept: Funny Times

Essential Question: What makes you laugh?

Exit Skills

By the end of this unit, ELLs will be able to:

- Develop oral vocabulary to use when talking about a topic.
- Ask and answer questions after actively listening to a read-aloud
- Ask and answer questions about key details in a text
- Read with sufficient accuracy and fluency to support comprehension
- Demonstrate comprehension of text through written response to a prompt
- Elaborate and ask questions to request clarification
- Support ideas with text evidence
- Determine the main idea and supporting details
- Apply grade level phonics skills

| | |
|------------|---|
| LA.RL.3.1 | Ask and answer questions, and make relevant connections to demonstrate understanding of a text, referring explicitly to the text as the basis for the answers. |
| LA.RL.3.2 | Recount stories, including fables, folktales, and myths from diverse cultures; determine the central message/theme, lesson, or moral and explain how it is revealed through key details in the text. |
| LA.RL.3.3 | Describe the characters in a story (e.g., their traits, motivations, or feelings) and explain how their actions contribute to the plot. |
| LA.RL.3.4 | Determine the meaning of words and phrases as they are used in a text, distinguishing literal from nonliteral language. |
| LA.RL.3.9 | Compare, contrast and reflect on (e.g., practical knowledge, historical/cultural context, and background knowledge) the central message/theme, lesson, and/or moral, settings, and plots of stories written by the same author about the same or similar characters (e.g., in books from a series). |
| LA.RL.3.10 | By the end of the year, read and comprehend literature, including stories, dramas, and poems at grade level text-complexity or above, with scaffolding as needed. |
| LA.RI.3.1 | Ask and answer questions, and make relevant connections to demonstrate understanding of a text, referring explicitly to the text as the basis for the answers. |
| LA.RI.3.2 | Determine the main idea of a text; recount the key details and explain how they support the main idea. |
| LA.RI.3.4 | Determine the meaning of general academic and domain-specific words and phrases in a text relevant to a grade 3 topic or subject area. |
| LA.RI.3.5 | Use text features and search tools (e.g., key words, sidebars, hyperlinks) to locate information relevant to a given topic efficiently. |
| LA.RI.3.7 | Use information gained from text features (e.g., illustrations, maps, photographs) and the words in a text to demonstrate understanding of the text (e.g., where, when, why, and how key events occur). |
| LA.RI.3.8 | Describe the logical connection between particular sentences and paragraphs in a text (e.g., comparison, cause/effect, first/second/third in a sequence) to support specific points the author makes in a text. |
| LA.RI.3.9 | Compare, contrast and reflect on (e.g., practical knowledge, historical/cultural context, and background knowledge) the most important points and key details presented in two texts on the same topic. |
| LA.RI.3.10 | By the end of the year, read and comprehend literary nonfiction at grade level text-complexity or above, with scaffolding as needed. |
| LA.RF.3.3 | Know and apply grade-level phonics and word analysis skills in decoding and encoding words. |
| LA.RF.3.4 | Read with sufficient accuracy and fluency to support comprehension. |
| LA.W.3.1 | Write opinion pieces on topics or texts, supporting a point of view with reasons. |
| LA.W.3.2 | Write informative/explanatory texts to examine a topic and convey ideas and information clearly. |
| LA.W.3.3 | Write narratives to develop real or imagined experiences or events using narrative technique, descriptive details, and clear event sequences. |

| | |
|-----------|--|
| LA.W.3.4 | With guidance and support from adults, produce writing in which the development and organization are appropriate to task and purpose. (Grade-specific expectations for writing types are defined in standards 1–3 above.) |
| LA.W.3.6 | With guidance and support from adults, use technology to produce and publish writing as well as to interact and collaborate with others. |
| LA.SL.3.2 | Determine the main ideas and supporting details of a text read aloud or information presented in diverse media and formats, including visually, quantitatively, and orally. |
| LA.L.3.1 | Demonstrate command of the conventions of standard English grammar and usage when writing or speaking. |
| LA.L.3.2 | Demonstrate command of the conventions of standard English capitalization, punctuation, and spelling when writing. |
| LA.L.3.3 | Use knowledge of language and its conventions when writing, speaking, reading, or listening. |
| LA.L.3.6 | Acquire and use accurately grade-appropriate conversational, general academic, and domain-specific words and phrases, including those that signal spatial and temporal relationships (e.g., After dinner that night we went looking for them). |

Interdisciplinary Connections

| | |
|-------------------|--|
| 3-ESS3-1 | Make a claim about the merit of a design solution that reduces the impacts of a weather-related hazard. |
| 3-ESS2-1.ESS2.D.1 | Scientists record patterns of the weather across different times and areas so that they can make predictions about what kind of weather might happen next. |

|------------------|--|
| CRP.K-12.CRP4.1 | Career-ready individuals communicate thoughts, ideas, and action plans with clarity, whether using written, verbal, and/or visual methods. They communicate in the workplace with clarity and purpose to make maximum use of their own and others' time. They are excellent writers; they master conventions, word choice, and organization, and use effective tone and presentation skills to articulate ideas. They are skilled at interacting with others; they are active listeners and speak clearly and with purpose. Career-ready individuals think about the audience for their communication and prepare accordingly to ensure the desired outcome. |
| CRP.K-12.CRP6.1 | Career-ready individuals regularly think of ideas that solve problems in new and different ways, and they contribute those ideas in a useful and productive manner to improve their organization. They can consider unconventional ideas and suggestions as solutions to issues, tasks or problems, and they discern which ideas and suggestions will add greatest value. They seek new methods, practices, and ideas from a variety of sources and seek to apply those ideas to their own workplace. They take action on their ideas and understand how to bring innovation to an organization. |
| CRP.K-12.CRP7.1 | Career-ready individuals are discerning in accepting and using new information to make decisions, change practices or inform strategies. They use reliable research process to search for new information. They evaluate the validity of sources when considering the use and adoption of external information or practices in their workplace situation. |
| CRP.K-12.CRP10.1 | Career-ready individuals take personal ownership of their own education and career goals, and they regularly act on a plan to attain these goals. They understand their own career interests, preferences, goals, and requirements. They have perspective regarding the pathways available to them and the time, effort, experience and other requirements to pursue each, including a path of entrepreneurship. They recognize the value of each step in the education and experiential process, and they recognize that nearly all career paths require ongoing education and experience. They seek counselors, mentors, and other experts to assist in the planning and execution of career and personal goals. |
| TECH.8.1.5 | Educational Technology: All students will use digital tools to access, manage, evaluate, and synthesize information in order to solve problems individually and collaborate and to create and communicate knowledge. |
| TECH.8.1.5.A | Technology Operations and Concepts: Students demonstrate a sound understanding of technology concepts, systems and operations. |
| TECH.8.1.5.A.1 | Select and use the appropriate digital tools and resources to accomplish a variety of tasks including solving problems. |
| TECH.8.1.5.A.2 | Format a document using a word processing application to enhance text and include graphics, symbols and/or pictures. |
| TECH.8.1.5.A.CS1 | Understand and use technology systems |
| TECH.8.1.5.A.CS2 | Select and use applications effectively and productively. |
| TECH.8.1.5.B | Creativity and Innovation: Students demonstrate creative thinking, construct knowledge and develop innovative products and process using technology. |
| TECH.8.1.5.B.CS1 | Apply existing knowledge to generate new ideas, products, or processes. |
| TECH.8.1.5.B.CS2 | Create original works as a means of personal or group expression. |

Differentiation

- Leveled Readers
- Differentiated Text
- The process will be differentiated through supplying three tiers of questioning for basic, intermediate, and advanced learners
- Student Practice Worksheets

Differentiations:

- Small group instruction
- Small group assignments
- Extra time to complete assignments
- Pairing oral instruction with visuals
- Repeat directions
- Use manipulatives
- Center-based instruction
- Token economy
- Study guides
- Teacher reads assessments allowed
- Scheduled breaks

- Rephrase written directions
- Multisensory approaches
- Additional time
- Preview vocabulary
- Preview content & concepts
- Story guides
- Behavior management plan
- Highlight text
- Student(s) work with assigned partner
- Visual presentation
- Assistive technology
- Auditory presentations
- Large print edition
- Dictation to scribe
- Small group setting

Hi-Prep Differentiations:

- Alternative formative and summative assessments
- Choice boards
- Games and tournaments
- Group investigations
- Guided Reading
- Independent research and projects
- Interest groups
- Learning contracts
- Leveled rubrics
- Literature circles
- Multiple intelligence options
- Multiple texts
- Personal agendas
- Project-based learning
- Problem-based learning
- Stations/centers
- Think-Tac-Toes
- Tiered activities/assignments
- Tiered products
- Varying organizers for instructions

Lo-Prep Differentiations

- Choice of books or activities
- Cubing activities
- Exploration by interest
- Flexible grouping
- Goal setting with students
- Jigsaw
- Mini workshops to re-teach or extend skills
- Open-ended activities
- Think-Pair-Share
- Reading buddies
- Varied journal prompts

- Varied supplemental materials

Special Education Learning (IEP's & 504's)

- If children don't use descriptive words to talk about characters, plot or setting then review images from the story and have children describe what they see.
- If children use incorrect language when speaking about classroom work then provide different scenarios and model using the correct language for each.
- If children don't use academic language and lesson vocabulary in their writing then review academic language and lesson vocabulary in context.
- If children answer questions with one-word answers then repeat their answer using a complete sentence. Then have them try again.
- Special Education and Resource Room Teachers will have access to Wonder Works. This product has differentiated foundational skills practice, instructional support, and assessment. Additionally, phonological awareness, phonemic awareness, phonics, and structural analysis at students' individual levels are also covered with this supplemental program. It mirrors all of the skills and strategies of the Wonders reading series.

- printed copy of board work/notes provided
- additional time for skill mastery
- assistive technology
- behavior management plan
- Center-Based Instruction
- check work frequently for understanding
- computer or electronic device utilizes
- extended time on tests/ quizzes
- have student repeat directions to check for understanding
- highlighted text visual presentation
- modified assignment format
- modified test content
- modified test format
- modified test length
- multi-sensory presentation
- multiple test sessions
- preferential seating
- preview of content, concepts, and vocabulary
- Provide modifications as dictated in the student's IEP/504 plan

- reduced/shortened reading assignments
- Reduced/shortened written assignments
- secure attention before giving instruction/directions
- shortened assignments
- student working with an assigned partner
- teacher initiated weekly assignment sheet
- Use open book, study guides, test prototypes

English Language Learning (ELL)

- Have children write a few sentences in response to the following prompt. Tell children you will ask them questions about what they wrote.

Week 1. Choose a character you've read about this week. Tell three details about what is important to this character.

Week 2. Choose a character you've read about this week. Tell three details about a terrible storm this character experienced.

Week 3. Choose a rescue team you've read about this week. Tell three details about how this person solved a problem.

Week 4. Choose an animal or insect you've read about this week. Tell three details you have learned about this animal or insect.

Week 5. Choose a character or narrator you've read about this week. Tell three details about why this character or narrator was funny.

- Prove sentence frames.
- Have partners collaborate.
- Ask and answer questions about this week's essential question for beginning, intermediate and advanced learners.
- ESL Teachers will have access to Wonder Works. This product has differentiated foundational skills practice, instructional support, and assessment. Additionally, phonological awareness, phonemic awareness, phonics, and structural analysis at students' individual levels are also covered with this supplemental program. It mirrors all of the skills and strategies of the Wonders reading series. Furthermore, there are lessons designed to meet the needs of Beginning, Intermediate, and Advanced ESL students.

- teaching key aspects of a topic. Eliminate nonessential information
- using videos, illustrations, pictures, and drawings to explain or clarify
- allowing products (projects, timelines, demonstrations, models, drawings, dioramas, poster boards, charts, graphs, slide shows, videos, etc.) to demonstrate student's learning;
- allowing students to correct errors (looking for understanding)
- allowing the use of note cards or open-book during testing
- decreasing the amount of work presented or required
- having peers take notes or providing a copy of the teacher's notes
- modifying tests to reflect selected objectives
- providing study guides

- reducing or omitting lengthy outside reading assignments
- reducing the number of answer choices on a multiple choice test
- tutoring by peers
- using computer word processing spell check and grammar check features
- using true/false, matching, or fill in the blank tests in lieu of essay tests

At Risk

- Use online Reteaching lessons for phonemic awareness, phonics, high-frequency words, and vocabulary.
 - Use the Language Development Cards for grammar and vocabulary.
 - Use Foundational Skills Lesson Cards for phonological awareness, phonemic awareness, phonics, word recognition, structural analysis, and fluency.
-
- allowing students to correct errors (looking for understanding)
 - teaching key aspects of a topic. Eliminate nonessential information
 - allowing products (projects, timelines, demonstrations, models, drawings, dioramas, poster boards, charts, graphs, slide shows, videos, etc.) to demonstrate student's learning
 - allowing students to select from given choices
 - allowing the use of note cards or open-book during testing
 - collaborating (general education teacher and specialist) to modify vocabulary, omit or modify items to reflect objectives for the student, eliminate sections of the test, and determine how the grade will be determined prior to giving the test.
 - decreasing the amount of work presented or required
 - having peers take notes or providing a copy of the teacher's notes
 - marking students' correct and acceptable work, not the mistakes
 - modifying tests to reflect selected objectives

 - reducing or omitting lengthy outside reading assignments
 - reducing the number of answer choices on a multiple choice test
 - tutoring by peers
 - using authentic assessments with real-life problem-solving
 - using true/false, matching, or fill in the blank tests in lieu of essay tests
 - using videos, illustrations, pictures, and drawings to explain or clarify

Talented and Gifted Learning (T&G)

At the end of each unit:

- Use the paragraph children wrote in Write to Two Sources for evaluation.
- After children have finished their writing, meet with them one on one. After you've read their sentences or paragraphs, ask questions about what they wrote. You might ask them to expand on a fact or ideas they included or to explain why they included certain information.
- If advanced children are able to write and express ideas to meet a variety of academic task, they may be ready to move to on-level for some tasks.

- Above grade level placement option for qualified students
- Advanced problem-solving
- Allow students to work at a faster pace
- Cluster grouping
- Complete activities aligned with above grade level text using Benchmark results
- Create a blog or social media page about their unit
- Create a plan to solve an issue presented in the class or in a text
- Debate issues with research to support arguments
- Flexible skill grouping within a class or across grade level for rigor
- Higher order, critical & creative thinking skills, and discovery
- Multi-disciplinary unit and/or project
- Teacher-selected instructional strategies that are focused to provide challenge, engagement, and growth opportunities
- Utilize exploratory connections to higher-grade concepts
- Utilize project-based learning for greater depth of knowledge
