Ms. Nicole Shanklin, Director of Elementary Education

Mr. George Droste, Director of Secondary Education

Board Approved: September 23, 2019

Unit Overview

Unit five focuses on painting. New information will build upon areas already learned.

- Review proper painting procedures.
- Review different types of paints and specific techniques needed to use them.
- Using the Elements of Art and previous painting knowledge, create multiple types of paintings that incorporate them.
- Recognize famous paintings done by both historical and contemporary artists.
- Review and emphasize the importance of supply/brush care for continued quality and use of the supplies needed for this unit.

Enduring Understandings

- Although it is an art technique used for centuries, painting can still be used today to create beautiful pieces of artwork.
- Different types of paint require different techniques and care, and it is important to know the differences to successfully use them.
- I can use paint to add interest and realism into my artwork.
- Previous knowledge of paintbrushes and paint application can help make my painting endeavors easier.
- Knowledge of color theory can help me to create art that is realistic as possible.

Essential Questions

- Why is it important to draw out an idea before painting?
- How does my previous knowledge of the Elements of Art help me to make a successful painting?
- How do the techniques used in painting help me outside of the artroom?

Exit Skills

By the end of Unit 5, all students will demonstrate an understanding of painting by:

- Selecting the appropriate paints for specific projects.
- Using color theory and elements of art to create successful paintings.
- Show proper use of paint and paintbrushes throughout each section of class, including clean-up.
- Identifying different famous paintings.
- Identifying different types of paints and the techniques used for them

|---------------|---|
| VPA.1.1.5.D.1 | Identify elements of art and principles of design that are evident in everyday life. |
| VPA.1.1.5.D.2 | Compare and contrast works of art in various mediums that use the same art elements and principles of design. |
| VPA.1.2.5.A.1 | Recognize works of dance, music, theatre, and visual art as a reflection of societal values and beliefs. |
| VPA.1.2.5.A.2 | Relate common artistic elements that define distinctive art genres in dance, music, theatre, and visual art. |
| VPA.1.2.5.A.3 | Determine the impact of significant contributions of individual artists in dance, music, theatre, and visual art from diverse cultures throughout history. |
| VPA.1.3.5.D.1 | Work individually and collaboratively to create two- and three-dimensional works of art that make cohesive visual statements and that employ the elements of art and principles of design. |
| VPA.1.3.5.D.2 | Identify common and distinctive characteristics of artworks from diverse cultural and historical eras of visual art using age-appropriate stylistic terminology (e.g., cubist, surreal, optic, impressionistic), and experiment with various compositional approaches influenced by these styles. |
| VPA.1.3.5.D.3 | Identify common and distinctive characteristics of genres of visual artworks (e.g., realism, surrealism, abstract/nonobjective art, conceptual art, and others) using age-appropriate terminology, and experiment with various compositional approaches influenced by these genres. |
| VPA.1.3.5.D.4 | Differentiate drawing, painting, ceramics, sculpture, printmaking, textiles, and computer imaging by the physical properties of the resulting artworks, and experiment with various art media and art mediums to create original works of art. |
| VPA.1.3.5.D.5 | Collaborate in the creation of works of art using multiple art media and art mediums, and present the completed works in exhibition areas inside and outside the classroom. |
| VPA.1.4.5.A.1 | Employ basic, discipline-specific arts terminology to categorize works of dance, music, theatre, and visual art according to established classifications. |
| VPA.1.4.5.A.2 | Make informed aesthetic responses to artworks based on structural arrangement and personal, cultural, and historical points of view. |
| VPA.1.4.5.A.3 | Demonstrate how art communicates ideas about personal and social values and is inspired by an individual's imagination and frame of reference (e.g., personal, social, political, historical context). |

| | |
|---------------|---|
| VPA.1.4.5.B.1 | Assess the application of the elements of art and principles of design in dance, music, theatre, and visual artworks using observable, objective criteria. |
| VPA.1.4.5.B.2 | Use evaluative tools, such as rubrics, for self-assessment and to appraise the objectivity of critiques by peers. |
| VPA.1.4.5.B.3 | Use discipline-specific arts terminology to evaluate the strengths and weaknesses of works of dance, music, theatre, and visual art. |
| VPA.1.4.5.B.4 | Define technical proficiency, using the elements of the arts and principles of design. |
| VPA.1.4.5.B.5 | Distinguish ways in which individuals may disagree about the relative merits and effectiveness of artistic choices in the creation and performance of works of dance, music, theatre, and visual art. |

Interdisciplinary Connections

| | |
|---------------|--|
| LA.RL.5.4 | Determine the meaning of words and phrases as they are used in a text, including figurative language such as metaphors and similes. |
| LA.SL.5.1 | Engage effectively in a range of collaborative discussions (one-on-one, in groups, and teacher-led) with diverse partners on grade 5 topics and texts, building on others' ideas and expressing their own clearly. |
| HPE.2.1.6.D.1 | Summarize the common causes of intentional and unintentional injuries in adolescents and related prevention strategies. |
| HPE.2.1.6.D.4 | Assess when to use basic first-aid procedures. |
| HPE.2.1.6.E.2 | Make recommendations to resolve incidences of school and community conflict, violence, harassment, gang violence, discrimination, and bullying. |

Learning Objectives

After completing this Unit, students will be able to:

- **Recognize** famous paintings and their artists
- **Demonstrate** success in using paint to create artwork
- **Develop** strong painting skills for different types of paints
- **Explain** and demonstrate proper brush care.

Suggested Activities & Best Practices

1. Have students review different eras and styles of painting, showcasing some of the most famous paintings ever made.
2. Have students review prior knowledge of painting and brush care and create a poster with our classroom painting "dos and don'ts".

Assessment Evidence - Checking for Understanding (CFU)

- Project (Summative)
- Portfolio (Benchmark)
- Participatory Assessment (Alternative)
- Peer Reviews (Formative)
- Sample Assessment #1: "Assign jobs during the painting unit. Certain groups will be in charge of table cleanup, brush collection, and dry-rack placement, etc. Rotate jobs every few weeks."
- Sample Assessment #2: "Review paintings discussed at the beginning of the unit and have students identify the styles in which they were painted."

In addition to the assessments listed above, the following assessments can be used to track progress:

- Admit Tickets
- Common Benchmarks
- Compare & Contrast
- Create a Multimedia Poster
- Define
- Describe
- Evaluate
- Evaluation rubrics
- Explaining
- Fist- to-Five or Thumb-Ometer
- Illustration
- Self- assessments
- Teacher Observation Checklist
- Unit review/Test prep

| CRP.K-12.CRP3.1 | Career-ready individuals understand the relationship between personal health, workplace performance and personal well-being; they act on that understanding to regularly practice healthy diet, exercise and mental health activities. Career-ready individuals also take |
|-----------------|---|

regular action to contribute to their personal financial well-being, understanding that personal financial security provides the peace of mind required to contribute more fully to their own career success.

CRP.K-12.CRP4.1

Career-ready individuals communicate thoughts, ideas, and action plans with clarity, whether using written, verbal, and/or visual methods. They communicate in the workplace with clarity and purpose to make maximum use of their own and others' time. They are excellent writers; they master conventions, word choice, and organization, and use effective tone and presentation skills to articulate ideas. They are skilled at interacting with others; they are active listeners and speak clearly and with purpose. Career-ready individuals think about the audience for their communication and prepare accordingly to ensure the desired outcome.

CRP.K-12.CRP6.1

Career-ready individuals regularly think of ideas that solve problems in new and different ways, and they contribute those ideas in a useful and productive manner to improve their organization. They can consider unconventional ideas and suggestions as solutions to issues, tasks or problems, and they discern which ideas and suggestions will add greatest value. They seek new methods, practices, and ideas from a variety of sources and seek to apply those ideas to their own workplace. They take action on their ideas and understand how to bring innovation to an organization.

CRP.K-12.CRP8.1

Career-ready individuals readily recognize problems in the workplace, understand the nature of the problem, and devise effective plans to solve the problem. They are aware of problems when they occur and take action quickly to address the problem; they thoughtfully investigate the root cause of the problem prior to introducing solutions. They carefully consider the options to solve the problem. Once a solution is agreed upon, they follow through to ensure the problem is solved, whether through their own actions or the actions of others.

21st Century Skills

- Civic Literacy
- Environmental Literacy
- Financial, Economic, Business and Entrepreneurial Literacy
- Global Awareness
- Health Literacy

Differentiation

- When working on a project, students who are struggling with finishing a project will be given more time to do so.
- At the beginning of each class, to ensure that all students are aware of their goal, it will be written clearly on the board and read aloud.
- When working on a project for multiple weeks, an oral review of the work already completed to remind students of their progress will be given.

Differentiations:

- **Extra time to complete assignments**
- **Repeat directions**
- **Use manipulatives**
- **Multisensory approaches**
- **Additional time**

- **Preview vocabulary**
- **Visual presentation**

Hi-Prep Differentiations:

- **Independent research and projects**
- **Project-based learning**

Lo-Prep Differentiations

- **Choice of books or activities**
- **Goal setting with students**
- **Varied supplemental materials**

Special Education Learning (IEP's & 504's)

1. Give students more time at the beginning and end of the class period to work on their painting.
2. Give student mini-version of color wheel for color mixing/theory references while painting.

- printed copy of board work/notes provided
- additional time for skill mastery
- assistive technology
- behavior management plan
- check work frequently for understanding
- have student repeat directions to check for understanding
- highlighted text visual presentation
- modified assignment format
- multiple test sessions
- multi-sensory presentation
- preferential seating
- preview of content, concepts, and vocabulary
- Provide modifications as dictated in the student's IEP/504 plan
- secure attention before giving instruction/directions
- shortened assignments
- student working with an assigned partner

English Language Learning (ELL)

1. Have visual icons on the board that show the order of directions for each day's tasks (ex, pencil for draw, paintbrush for painting after)
- teaching key aspects of a topic. Eliminate nonessential information

- using videos, illustrations, pictures, and drawings to explain or clarify
- allowing products (projects, timelines, demonstrations, models, drawings, dioramas, poster boards, charts, graphs, slide shows, videos, etc.) to demonstrate student's learning;
- allowing students to correct errors (looking for understanding)
- decreasing the amount of work presented or required
- reducing or omitting lengthy outside reading assignments
- tutoring by peers

At Risk

1. Have students choose what types of paint/art styles they would like to use for the projects in this unit.

- allowing students to correct errors (looking for understanding)
- teaching key aspects of a topic. Eliminate nonessential information
- allowing products (projects, timelines, demonstrations, models, drawings, dioramas, poster boards, charts, graphs, slide shows, videos, etc.) to demonstrate student's learning
- allowing students to select from given choices
- collaborating (general education teacher and specialist) to modify vocabulary, omit or modify items to reflect objectives for the student, eliminate sections of the test, and determine how the grade will be determined prior to giving the test.
- decreasing the amount of work presented or required
- marking students' correct and acceptable work, not the mistakes
- providing study guides
- tutoring by peers
- using authentic assessments with real-life problem-solving
- using videos, illustrations, pictures, and drawings to explain or clarify

Talented and Gifted Learning (T&G)

1. Have students use knowledge from previous unit on perspective drawing to create a two-point perspective painting.

- Above grade level placement option for qualified students
- Advanced problem-solving
- Allow students to work at a faster pace
- Create a plan to solve an issue presented in the class or in a text
- Multi-disciplinary unit and/or project
- Teacher-selected instructional strategies that are focused to provide challenge, engagement, and growth opportunities
- Utilize exploratory connections to higher-grade concepts
- Utilize project-based learning for greater depth of knowledge
