Ms. Nicole Shanklin, Director of Elementary Education

Mr. George Droste, Director of Secondary Education

Board Approved: September 23, 2019

Unit Overview

Students in this unit will continue to enhance their speaking fluency with an ease at speaking formally and informally and knowing which forms and gestures to use with diverse people. Students will become familiar with the recognition that not only the way we speak changes but the words we use. This unit will also entail the learning of larger numbers up to 1000, practicing dates in history as part of the lessons.

Enduring Understanding

Students will know how to greet others formally and informally.

Students will understand that there are different forms used for children and adults.

Students will recognize the differences of traditions in other cultures.

Students will see how numbers have many uses, not only for counting.

Essential Questions

How do I know which form I should use when addressing an adult?

How do I know which form I should use when addressing a friend?

What is the difference in the way English speakers greet people and target language speakers?

How can I use numbers to 1000 and on to speak about history?

Exit Skills

Students will be able to:

Identify formal and informal salutations.

Identify key words associated with certain groups to address.

Be familiar with numbers 0 to 1000.

Introduce themselves and others.

Understand the cultural aspects of salutations.

New Jersey Student Learning Standards (NJSLS)

Standard 7.1 **Novice-High** for Grades 5 & 6

Strand A: Interpretative Mode

Linguistic - has progressed from understanding and communicating at the word level to understanding and communicating at the sentence level and can use words, lists, and simple sentences to:

- Identify the main idea and some supporting details when reading.
- Understand the gist and some supporting details of conversation dealing with everyday life.
- Infer the meaning of some unfamiliar words when used in familiar contexts.

Cultural

- Immigration changes both the community of origin and the new community.
- The study of another language and culture deepens understanding of where and how people live and why events occur.
- Due to globalization and advances in technology, the products and practices of a culture change over time, and these changes may impact cultural perspectives.
- Human and animal migration often related to availability of resources and the ability to adapt to the environment.
- Personal preferences and skills are key factors to consider when making decisions about postsecondary plans.
- The amount of leisure time available and how it is spent varies among cultures.
- Wellness practices may vary across cultures.
- Online newspapers, magazines, blogs, wikis, podcasts, videos, and government websites provide current information on perspectives of the target culture on local, national, and global problems/issues.
- Current trends and issues influence popular culture.

Strand B: Interpersonal Mode

Linguistic - has progressed from understanding and communicating at the word level to understanding and communicating at the sentence level and can use words, lists, and simple sentences independently to:

- Ask and answer questions related to everyday life.

- Handle simple transactions related to everyday life:

Initiate, maintain, and end a conversation
 Ask for and give permission
 Express needs
 Give reasons
 Request, suggest, and make arrangements
 Extend, accept, and decline an invitation
 Express an opinion and preference

Cultural (please see above)

Strand C: Presentational Mode

Linguistic - has progressed from understanding and communicating at the word level to understanding and communicating at the sentence level and can use words, lists, and simple sentences independently to:

- Handle simple transactions related to everyday life:

Express needs

 Give reasons

 Express an opinion and preference

 Request and suggest

Cultural (please see above)

WL.7.1.NM.A.1	Recognize familiar spoken or written words and phrases contained in culturally authentic materials using electronic information and other sources related to targeted themes.
WL.7.1.NM.A.3	Recognize a few common gestures and cultural practices associated with the target culture(s).
WL.7.1.NM.A.4	Identify familiar people, places, and objects based on simple oral and/or written descriptions.
WL.7.1.NM.A.C.1	Personal identity is developed through experiences that occur within one's family, one's community, and the culture at large. (Topics that assist in the development of this understanding should include, but are not limited to: self, friends, family, pets, physical/personality descriptions, school, likes/dislikes, and pastimes.)
WL.7.1.NM.A.L.1	The Novice - Mid language learner understands and communicates at the word level and can independently identify and recognize memorized words and phrases that bring meaning to text.

Interdisciplinary Connections

LA.RL.5.1	Quote accurately from a text, and make relevant connections when explaining what the text says explicitly and when drawing inferences from the text.
SOC.5-8.1.1	Chronological Thinking

Alignment to 21st Century Skills & Technology

Mastery and infusion of **21st Century Skills & Technology** and their Alignment to the core content areas is essential to student learning. The core content areas include:

- English Language Arts;
- Mathematics;
- Science and Scientific Inquiry (Next Generation);
- Social Studies, including American History, World History, Geography, Government and Civics, and Economics;
- World languages;
- Technology;
- Visual and Performing Arts.

CRP.K-12.CRP1	Act as a responsible and contributing citizen and employee.
CRP.K-12.CRP2	Apply appropriate academic and technical skills.
CRP.K-12.CRP2.1	Career-ready individuals readily access and use the knowledge and skills acquired through experience and education to be more productive. They make connections between abstract concepts with real-world applications, and they make correct insights about when it is appropriate to apply the use of an academic skill in a workplace situation.
CAEP.9.2.8.B	Career Exploration
TECH.8.1.5.A.5	Create and use a database to answer basic questions.
TECH.8.1.5.A.CS1	Understand and use technology systems

21st Century Skills/Interdisciplinary Themes

- Communication and Collaboration
- Creativity and Innovation
- Critical thinking and Problem Solving
- ICT (Information, Communications and Technology) Literacy
- Information Literacy
- Life and Career Skills
- Media Literacy

21st Century Skills

- Civic Literacy
- Environmental Literacy
- Financial, Economic, Business and Entrepreneurial Literacy

- Global Awareness
- Health Literacy

Differentiation

Allow notecard use during quiz on numbers 0 to 100.

Repeat salutations for emphasis and ask students to do the same.

Differentiations:

- Small group instruction
- Small group assignments
- Extra time to complete assignments
- Pairing oral instruction with visuals
- Repeat directions
- Use manipulatives
- Center-based instruction
- Token economy
- Study guides
- Teacher reads assessments allowed
- Scheduled breaks
- Rephrase written directions
- Multisensory approaches
- Additional time
- Preview vocabulary
- Preview content & concepts
- Story guides
- Behavior management plan
- Highlight text
- Student(s) work with assigned partner
- Visual presentation
- Assistive technology
- Auditory presentations
- Large print edition
- Dictation to scribe
- Small group setting

Hi-Prep Differentiations:

- Alternative formative and summative assessments
- Choice boards
- Games and tournaments
- Group investigations
- Guided Reading
- Independent research and projects
- Interest groups
- Learning contracts
- Leveled rubrics

- Literature circles
- Multiple intelligence options
- Multiple texts
- Personal agendas
- Project-based learning
- Problem-based learning
- Stations/centers
- Think-Tac-Toes
- Tiered activities/assignments
- Tiered products
- Varying organizers for instructions

Lo-Prep Differentiations

- Choice of books or activities
- Cubing activities
- Exploration by interest
- Flexible grouping
- Goal setting with students
- Jigsaw
- Mini workshops to re-teach or extend skills
- Open-ended activities
- Think-Pair-Share
- Reading buddies
- Varied journal prompts
- Varied supplemental materials

Special Education Learning (IEP's & 504's)

Individual instruction is offered on lesson of numbers, especially as it pertains to years.

Numbers can be represented by both English and the target language to encourage performance.

- printed copy of board work/notes provided
- additional time for skill mastery
- assistive technology
- behavior management plan
- Center-Based Instruction
- check work frequently for understanding
- computer or electronic device utilizes
- extended time on tests/ quizzes

- have student repeat directions to check for understanding
- highlighted text visual presentation
- modified assignment format
- modified test content
- modified test format
- modified test length
- multi-sensory presentation
- multiple test sessions
- preferential seating
- preview of content, concepts, and vocabulary
- Provide modifications as dictated in the student's IEP/504 plan
- reduced/shortened reading assignments
- Reduced/shortened written assignments
- secure attention before giving instruction/directions
- shortened assignments
- student working with an assigned partner
- teacher initiated weekly assignment sheet
- Use open book, study guides, test prototypes

English Language Learning (ELL)

Native speakers can demonstrate the mode of writing the date in the target language.

Shorter expressions are utilized on dialogs practicing salutations.

- teaching key aspects of a topic. Eliminate nonessential information
- using videos, illustrations, pictures, and drawings to explain or clarify
- allowing products (projects, timelines, demonstrations, models, drawings, dioramas, poster boards, charts, graphs, slide shows, videos, etc.) to demonstrate student's learning;
- allowing students to correct errors (looking for understanding)
- allowing the use of note cards or open-book during testing
- decreasing the amount of work presented or required
- having peers take notes or providing a copy of the teacher's notes
- modifying tests to reflect selected objectives
- providing study guides
- reducing or omitting lengthy outside reading assignments
- reducing the number of answer choices on a multiple choice test
- tutoring by peers
- using computer word processing spell check and grammar check features
- using true/false, matching, or fill in the blank tests in lieu of essay tests

At Risk

Reduce the amount of dates to be translated on historical date quiz.

Offer opportunity to practice salutations at beginning of class to boost confidence.

- allowing students to correct errors (looking for understanding)
- teaching key aspects of a topic. Eliminate nonessential information
- allowing products (projects, timelines, demonstrations, models, drawings, dioramas, poster boards, charts, graphs, slide shows, videos, etc.) to demonstrate student's learning
- allowing students to select from given choices
- allowing the use of note cards or open-book during testing
- collaborating (general education teacher and specialist) to modify vocabulary, omit or modify items to reflect objectives for the student, eliminate sections of the test, and determine how the grade will be determined prior to giving the test.
- decreasing the amount of work presented or required
- having peers take notes or providing a copy of the teacher's notes
- marking students' correct and acceptable work, not the mistakes
- modifying tests to reflect selected objectives
- providing study guides
- reducing or omitting lengthy outside reading assignments
- reducing the number of answer choices on a multiple choice test
- tutoring by peers
- using authentic assessments with real-life problem-solving
- using true/false, matching, or fill in the blank tests in lieu of essay tests
- using videos, illustrations, pictures, and drawings to explain or clarify

Talented and Gifted Learning (T&G)

Give the responsibility of checking responses on historical date quiz.

Create a wordsearch of numbers higher than 100 for classmates to solve.

- Above grade level placement option for qualified students
- Advanced problem-solving
- Allow students to work at a faster pace
- Cluster grouping
- Complete activities aligned with above grade level text using Benchmark results
- Create a blog or social media page about their unit
- Create a plan to solve an issue presented in the class or in a text
- Debate issues with research to support arguments
- Flexible skill grouping within a class or across grade level for rigor

- Higher order, critical & creative thinking skills, and discovery
- Multi-disciplinary unit and/or project
- Teacher-selected instructional strategies that are focused to provide challenge, engagement, and growth opportunities
- Utilize exploratory connections to higher-grade concepts
- Utilize project-based learning for greater depth of knowledge
