## **Brief Summary of Unit**

---

Composition in art will be viewed and discussed in this unit as it pertains to the still life. Assignment work will encompass setting up and drawing from an arrangement of objects. Each student will be responsible for a completed composition of a still life.

## **Essential Questions/ Enduring Understandings**

---

### Essential Questions:

- How does knowledge and understanding of the elements and principles of design relate to composition?
- How have artists throughout the ages used composition in their artwork?
- How can art students increase their ability to draw what is truly seen by drawing from observation?
- How do the unique properties and aesthetics of various drawing media influence the artist's design?
- How does one grow artistically by drawing a still life?
- How can students create the illusion of three dimensions on a two dimensional plane?
- How do students create the illusion of three dimensions using color?

### Enduring Understandings:

- Observational drawing will improve one's ability to draw a realistic composition.
- Drawing is a developmental skill that improves with practice, commitment, and concentration.
- Using various drawing media influences the artwork.
- The ability to draw is related to the ability to make sensitive and accurate observations.

## **Students Will Know/ Students Will Be Skilled At**

---

- what the term "composition" means in an art context
- how to render a composition realistically using a variety of media
- how to effectively layout a composition taking into consideration the elements and principles of design
- that a still life is an arrangement of inanimate objects

- the effects of the chosen medium
- techniques involved when using a specific medium

## **Learning Plan**

---

- Preview the essential questions and connect to learning throughout the unit.
- Learning will take place based on student interest and involvement.
- Students will be instructed to choose a point of view which they would like to draw.
- They will be instructed to zoom in, focus on a detail.
- Students will use the following tools: (view finder, graphite, paper towels, rulers, etc.) in preparation of drawing.
- Students will be given the teacher chosen medium (charcoal, colored pencils, oil pastels or chalk pastels).
- Students will explore and record their still life through observational drawing.
- Teacher will observe student progress with each session.
- Teacher will provide feedback, encouragement and guide corrections.
- Teacher will encourage students to use observational skills.
- Teacher will encourage students to explore the medium.

After drawings have been completed, students will meet in small groups to discuss and address the following: Problems they may have encountered in their work; How successful they were; Areas of improvement; Cropping work; Showcasing areas of interest using construction paper frame; Signing and dating work; Rubric completion.

- Display of work in classroom for all to view.
- Large group critique.
- Student/teacher discussion.

## **Evidence/Performance Task**

---

Fine Arts students demonstrate differentiated proficiency according to their ability to answer the essential questions through formative and summative assessments. Evidence of progression may be demonstrated in divergent ways through the Artistic Process of Creating, Presenting/Producing, Connecting, and Responding.

Tasks will include:

- experimenting with a wide variety of drawing supplies and drawing pencils
- preparing a drawing surface

- understanding of and using the contour line drawing as preliminary work
- comprehending and applying drawing terminology and media
- participating in small and large group discussion of use and understanding of the elements and principles of design
- participating in group and individual critique sessions
- self assessing via rubric
- answering the essential questions

## **Materials**

---

The materials used in this course allow for integration of a variety of instructional, supplemental, and intervention materials that support student learners at all levels in the school and home environments. Associated web content and media sources are infused into the unit as applicable and available.

Easels, Various Pencils, Various Papers, Various Erasers, Mirrors, Blending Sticks, Charcoal, Graphite, Sharpeners, Sanding Blocks, Colored Pencils, Oil Pastel, Chalk Pastels, Rubber Facial Features, Skulls, Book and Workbook, *Drawing on the Right Side of the Brain*, Computer, YouTube Videos, Value Scales, Research Books and Magazines.
