- Music is like language in the way it is organized.
- What do I hear when I listen to music?
- What role does a cadence serve?

Evidence/Performance Tasks

Performing Arts students demonstrate differentiated proficiency according to their ability to answer the essential questions through formative and summative assessments. Evidence of progression may be demonstrated in divergent ways through the Artistic Processes of Creating, Performing/Presenting/Producing, Connecting, and Responding.

- Students will compose 4-measure phrases that end with various cadence types.
- Students will compose a double period, with harmony, appropriate cadences, and examples of repetition and/or sequence.
- Students will compose a motif and use it in repetition or sequence, creating a parallel period.
