

# Unit 08: Floor Hockey

Content Area: **Health and Physical Education**  
Course(s):  
Time Period: **Marking Period 1**  
Length: **3-4 Weeks**  
Status: **Published**

## Brief Summary of Unit

---

This unit will support the development of team play principles, skills, sportsmanship and cooperative learning. This unit will also provide students with the rules, regulations, safety concerns and strategies of hockey. This unit will also include several variations, lead up games and small sided games of hockey, as well as make students aware of the differences between floor hockey and field hockey.
