

Unit 4: History/Culture – Art’s Role in History and Culture

Content Area: **Fine Arts**
Course(s):
Time Period: **Marking Period 1**
Length: **34 Weeks**
Status: **Published**

Brief Summary of Unit

Students will explore how art often reflects the time and culture it was created in and how over time how artists have influenced each other. They will be introduced to common themes and characteristics of specific time periods and learn about why they were significant.

Art teachers at the elementary level design their own unique lesson plans in order to incorporate the essential questions provided in this unit. The order in which this information is presented is dependent upon the variables specific to each elementary school community.
