complete activity sheets relating to the causes, effects and aftermath of acquaintance rape.

answer the essential questions.

Materials

Power Point

Construction Paper

White board

Videos

Student presentations

Laptops

Note packets

Guest Speaker

Suggested Strategies for Modification

one-to-one instruction and assistance

cooperative learning groups

study partners

additional time on task

alternative outcome options

assessment based on individual development in the area of study

images and visual aids

handouts of notes, procedures, processes, diagrams, etc.

preferential seating

audio tape of instruction

reading material modified to student level

testing materials appropriate to student level

Provide copy of accurate class notes

Adjust number of items student is expected to complete

Allow extra time for task completion

Allow verbal rather than written responses

Modify curriculum content based on student's ability level

Allow typed rather than handwritten responses

Modified homework assignments (modify content, modify amount, as appropriate)

Assistance with organization of materials/notebooks

Use a consistent daily routine

Assist student in setting short-term goals

Break down tasks into manageable units

Provide benchmarks for long-term assignments and/or projects

Use of checklists

Use of an assignment notebook or planner

Provide timelines for work completion

Provide organizational support through teacher websites

Provide organizers/study guides

Require classroom notebooks and/or folders Frequently check for understanding Simplify task directions Provide hands-on learning activities Provide modeling Provide guided instruction Modify pace of instruction to allow additional processing time Provide small group instruction Present information via the visual modality(written material to supplement oral explanation, models, illustrations, assignments written on board) Provide outline in advance of lecture Demonstrate directions and provide a model or example of completed task Emphasize multi-sensory presentation of data Encourage use of mnemonic devices Provide oral as well as written instructions/directions Allow for repetition and/or clarification of directions, as needed Reinforce visual directions with verbal cues Give direct and uncomplicated directions Orient to task and provide support to complete task Help to develop metacognitive skills (self-talk and self-correction) Directions repeated, clarified or reworded Have student demonstrate understanding of instructions/task before beginning assignment Allow wait time for processing before calling on student for response Read directions aloud Administer work in small segments Provide visual models of completed tasks Give verbal as well as written directions

Use interests to increase motivation

Enlarge print

Modified grading

Additional time to complete classroom tests/quizzes

Announce test with adequate prep time

Small group administration of classroom tests/quizzes

Modified tests/quizzes Modify the number of choices on tests/quizzes

Modify length of test

Modify the content of tests/quizzes
