

# Unit 3: Value

Content Area: **Fine Arts**  
Course(s):  
Time Period: **Marking Period 1**  
Length: **1-1.5 week(s)**  
Status: **Published**

## Summary of Unit 3: Value

---

In alignment with the NJSL-S-VPA, students will discover and learn about the elements of art. The elements of art are the basic building blocks of an artwork. Throughout this unit, students will explore and discover different types of techniques to create value changes using various materials. Students will discover artists and analyze artworks that focus on the use of value in the works.

Artists include but are not limited to: Claude Monet, John Singer Sargent, Albrecht Dürer, Robert Longo, Derrick Adams, and Amy Sherald.

## Essential Questions

---

- How does the artist's knowledge, understanding and skill in using value affect the resulting artwork?
- How does knowledge and understanding of famous artists and artworks affect the artwork that is created?
- How does knowledge, understanding and skill of value affect the artwork that is created?

## Enduring Understandings

---

- Various tools create different results
- Exploring and discovering various ways to create value will improve artistic growth and produce a higher quality of artwork
- Creation of a value scale will assist and aide students when decision making and creating artwork
- Introduction of value specific artists and artworks will expand student's knowledge to various times in history, cultures, and art eras

## Learning Plan

---

- Preview essential questions and objects, connecting to learning throughout the unit
- Introduce elements of art: Specifically Value terminology
- Practice creating variations in Value with a graphite pencil: Tints, tones and shades
- Practice creating value scales using various techniques: blending, stippling, hatching, cross-hatching, etc.
- Discover value specific artists from various art eras (Including but not limited to modern, contemporary, abstract expressionism, etc.)
- Introduce and create artwork specifically focusing on forms
- Perform formative and summative assessments
- Showcase artwork throughout the school and in district buildings

### **Students Will Know/ Students Will be Skilled At**

---

- Knowing value terminology
- Identifying the difference between shades, tints, and tones
- Identifying and creating various value scales, including but not limited to, blending, stippling, hatching, and cross-hatching
- Identifying the original light source when creating implied forms like spheres, cubes, and cones, in order to successfully apply the values in the appropriate spots
- Knowing that values can be varied in many ways
- Knowing the elements of art

### **Evidence/Performance Tasks**

---

Fine Arts students demonstrate differentiated proficiency according to their ability to answer the essential questions through formative and summative assessments. Evidence of progression may be demonstrated in divergent ways through the Artistic Process of Creating, Presenting/Producing, Connecting, and Responding.

Tasks will include:

- Experimenting with a wide range of values

- Creating a resource page with various value scales
- Creating a resource page with applying value to implied forms based on the origin of the light source
- Recording and comprehending important art terminologies and techniques associated with current and past units
- Participating in the art making process while applying design criterias and requirements
- Participating in formal and informal assessments
- Answering essential questions and meeting project objectives and deadlines

## **Materials**

---

The materials used in this course allow for integration of a variety of instructional, supplemental, and intervention materials that support student learners at all levels in the school and home environments. Associated web content and media sources are infused into the unit as applicable and available.

Sketchbook, Various Pencils, Sharpies, Markers, Various Papers, Various Erasers, Mirrors, Blending Sticks, Charcoal, Graphite, Sharpeners, Colored Pencils, Oil Pastel, Chalk Pastels, YouTube Videos, and Value Scales.

## **Standards**
