

Unit 2: Unity

Content Area: **Fine Arts**
Course(s):
Time Period: **Marking Period 1**
Length: **1 Week**
Status: **Published**

Brief Summary of Unit: Unity

In alignment with the NJSLS-VPA, students will discover and learn about the principles of art. The principles of art are the means an artist uses to organize elements within a work of art. Throughout this unit, students will explore and discover how to compose elements in such a way to highlight their similarities, to create a feeling of cohesion, working together in a composition. In an artwork that shows unity, one part of the composition is not more important or stands out more than another.

Essential Questions

- How does the artist's knowledge, understanding and skill in composing with similar elements affect the resulting artwork?
- How does knowledge and understanding of famous artists and artworks affect the artwork that is created?
- How do knowledge, understanding and skill of creating unity affect the artwork that is created?

Essential Understandings

- Various tools create different results
- Exploring and discovering various ways to create unity will improve artistic growth and produce a higher quality of artwork
- Introduction of how artists and artworks use unity will expand students knowledge of various times in history, cultures, and art eras

Students Will Know/ Students Will Be Skilled At

- Know ing the different ways to show unity in artwork
