Unit 8: Emphasis

Content Area: **Fine Arts**
Course(s):
Time Period: **Marking Period 1**
Length: **1 Week**
Status: **Published**

Brief Summary of Unit 8: Emphasis

In alignment with the NJSLS-VPA, students will discover and learn about the principles of art. The principles of art are the means an artist uses to organize elements within a work of art. Throughout this unit, students will explore and discover techniques to highlight parts of an artwork through certain elements to create a focal point in an artwork.

Essential Questions

- How does the artist's knowledge, understanding and skill in attracting a viewer's attention affect the resulting artwork?
- How does knowledge and understanding of famous artists and artworks affect the artwork that is created?
- How does knowledge, understanding and skill of creating and using emphasis affect the artwork that is created?

Essential Understandings

- Various tools create different results
- Exploring and discovering various ways to create emphasis will improve artistic growth and produce a higher quality of artwork
- Introduction of how artists and artworks use emphasis will expand student's knowledge to various times in history, cultures, and art eras

Students Will Know/ Students Will be Skilled At

- Knowing the different ways to show emphasis in artwork
- Knowing how to arrange the elements to create emphasis within a work of art
- Identifying how emphasis is used in artworks

- Explaining the creative process behind composing emphasis within a work of art
- Knowing the Elements and Principles of Art

Evidence/Performance Tasks

Fine Arts students demonstrate differentiated proficiency according to their ability to answer the essential questions through formative and summative assessments. Evidence of progression may be demonstrated in divergent ways through the Artistic Process of Creating, Presenting/Producing, Connecting, and Responding.

Tasks will include:

- Experimenting with a wide range of creating emphasis
- Creating a resource with examples of emphasis
- Recording and comprehending important art terminologies and techniques associated to current and past units
- Participating in the art making process while applying design criterias and requirements
- Participating in formal and informal assessments
- Answering essential questions and meeting project objectives and deadlines
