Content Area: **Music**
Course(s):
Time Period: **Marking Period 1**
Length: **Full Year**
Status: **Published**

Brief Summary of Unit

Students will learn various methods used to tune the guitar, and will learn to adjust the truss rod properly to ensure correct positioning of the neck. Continued reinforcement of proper hand position/movement, open position chords, major and minor barre chords, 7th chords with the root on the 5th and 6th strings, an introduction to drop 2 chords, notation, rhythm, and right hand patterns for strumming will be taught. Students will increase their musical knowledge by reading music notation and chord symbols on a daily basis along with learning common scales and beginning improvisational techniques. Students will learn to identify by listening to live and recorded patterns and progressions that are indicative to periods of specific times and cultures. Students will be encouraged to form opinions about the music they are listening to and performing to develop points of view using the language of music and guitar technique.

Students Will Know/ Students Will be Skilled At

Students will Know:

How the instrument has changed over the years.

What pitches the strings are tuned to and which way to turn the pegs to adjust the tuning.

What the parts of the instrument are.

Students Will be Skilled At:

Basic strumming

Cleaning and caring for the instrument.

Maintaining proper position in holding the instrument.

Making adjustments to the instrument.

Performing basic finger exercises.

Tuning the instrument using various methods.

Learning Plan

- Students will be pre-assessed as to their familiarity and skill on the guitar so that course materials and individualized plans can be created to challenge individuals.
- Teacher will continue to challenge students with more difficult finger pattern exercises.
- Teacher will design exercises to practice right hand strumming.
- Teacher will monitor student progress in an on-going manner designing strategies to promote student independence and ability to self-assess.
- Teacher will require the student to make adjustments to the truss rod.
- Teacher will set left hand and design left hand finger exercises to coordinate left and right hand movement on instrument.
