

Unit 02: Trees

Content Area: **English Language Arts**
Course(s):
Time Period: **Marking Period 1**
Length: **5 Weeks**
Status: **Published**

Brief Summary of Unit

In this study, children will expand their knowledge of trees through a variety of hands-on experiences that support all areas of their learning and development. They will develop an understanding of the characteristics of different kinds of trees, how trees grow and change, and why trees are important to people and the environment. They will also investigate people from the community who work with trees. Skills in Literacy, Math, Social-Emotional, Science, Social Studies, Technology and the Arts are embedded throughout the unit.
