

Unit 04: Boxes

Content Area: **English Language Arts**
Course(s):
Time Period: **Trimester 1**
Length: **6 Weeks**
Status: **Published**

Brief Summary of Unit

A study of boxes builds on children's natural curiosity and promotes important skills as children gather information, learn about the world around them, and solve problems. Children will explore many types of boxes, investigate how they are made, observe people using them in different ways, and learn about the tools and equipment people use to move them. Skills in Literacy, Math, Social-Emotional, Science, Social Studies, Technology and the Arts are embedded throughout the unit.
