| CAEP.9.2.12.C.8  | Assess the impact of litigation and court decisions on employment laws and practices.  |
| CAEP.9.2.12.C.9  | Analyze the correlation between personal and financial behavior and employability.   |

## Essential Questions

---

- How does one continue to demonstrate trust when challenges and ethical dilemmas arise?
- How does one's sense of trust impact one's relationships with self, peers, family and community?
- How may self and societal definitions and models of trust change over time?
- How may technological advances complicate the definition and enactment of trust?
- To what extent does trust play a part in being successful in life?

## Essential Understandings

---

- Demonstrating and modeling trust means having the courage to do the right thing even when no one is looking.
- Self and society define trust, and those definitions may vary individually and over time.
- There are multiple ways to measure trust.
- Trust has a role in the growth and development of a community, for which one's own sense and enactment of trust contributes.
- Trust in leaders inspires others, and a person may become a leader by earning the trust of others.
- Trust is a critical component of relationships with self, peers, family and community.
- Trust is acquired and nurtured through experiences and relationships.

## Students Will Know

---

- As a ninth through twelfth grader, I utilize the opportunities to show and model trust in daily life.
- How trust relates to a person's self-actualization.
- There are personal, community and legal consequences when a person does not possess integrity.
- There is a code of conduct that contributes to the wellbeing of the community.

- Trust is an intuitive sense of honesty in regard to the motivations for one's actions, which may vary from person to person.
- Trust may be affected by our ever-changing society, especially in regards to advances in technology.
- Trust sometimes requires prioritizing loyalties, safeguarding confidential information and avoiding conflicting interests.

## **Students will be able to**

---

- Begin to use his/her definition of trust to move toward self-actualization.
- Define the characteristics of trust and reflect upon how those characteristics may differ for others.
- Identify at least three opportunities where trust can be demonstrated within the school, the community and society at large.
- Role-play scenarios where ethical dilemmas are created and reflect upon various outcomes.
- Understand and access the code of conduct.

## **Instructional Strategies**

---

- didactic questioning
- cooperative learning,
- emails,
- Individual and group counseling
- mediation
- meetings
- parent contact-phone calls
- peer students lessons in classroom
- problem-solving, classroom lessons and scenarios
- reflective discussion
- role-playing, games,
- school-wide and grade-specific assemblies
- TAPPS (thinking aloud, pair problem solving)

## **Suggested Strategies for Modifications**

---
