Essential Questions/Enduring Understandings

- What is improvisation and why is it an essential part of the actor's toolkit?
- What is the role of conflict in theater?
- What are the techniques to establishing given circumstances in improvisational work?
- How is improvisation used in non-improvisational work?

Theatre artists rely on intuition, curiosity and critical inquiry.

What happens when theatre artists use their imaginations and/or learned theatre skills while engaging in creative exploration and inquiry?

Theatre artists work to discover different ways of communicating meaning.

How, when, and why do theatre artists' choices change?

Theatre artists refine their work and practice their craft through rehearsal.

Theatre artists develop personal processes and skills for a performance or design.

Theatre artists make choices to convey meaning.

Theatre artists, through a shared creative experience with an audience, present stories, ideas, and envisioned worlds to explore the human experience.

What happens when theatre artists and audiences share creative experiences?

Theatre artists reflect to understand the impact of drama processes and theatre experiences.

How do theatre artists comprehend the essence of drama processes and theatre experiences?

How can the same work of art communicate different messages to different people?

Theatre artists allow awareness of interrelationships between self and others to inform their work.

As theatre is created and experienced, personal experiences and knowledge are synthesized to interpret meaning and analyze the way in which the world may be understood.

What happens when theatre artists allow an understanding of themselves and the world to inform perceptions about theatre and the purpose of their work?

Objectives

Students will know:

- How to use improvisation to help define and discover the boundaries of a character.
- How to use improvisation to tap into an actor's individuality and creativity.
- The rules of improv and how they can be applied.

Students will be skilled at:

- Embracing the rules of improv in order to create fast-paced but coherent scenes.
- Listening to their fellow actors onstage to accept and improve upon their ideas.
- Embracing their natural instincts onstage and thinking less about what they're doing.

Learning Plan

- Play a wide variety of improvisation games with students reflecting upon each to connect them to the basic skills of acting.
- Work through Uta Hagen's nine questions for understanding given circumstances.
- Use playing cards and chance in place of volunteers to encourage participation and become comfortable with chaos.
- Ask students to provide additional games to provide student choice.
- Provide students with evaluations after each exercise and discuss each part of the exercise and what they have discovered.
- Create a lineup of games with direct input from students to encourage self-evaluation and critical thinking.
- Perform improv games at the showcase, being assessed on the rules of improv and vocal quality.
- Reflect on this performance in comparison to more advanced students involved in the showcase.

Assessments

- Students will assess each other by talking about what works and what doesn't work.
- Students will assess the value of different games through discussion and decision making.
- Students will be assessed in rehearsal and at the showcase on their ability to follow the rules of improv.

Materials

- Improv games (some should be provided by the students themselves) I.e. One Word Story, Late to Work, Survivor, Dating Game
