Content Area: **Health and Physical Education**
Course(s):
Time Period: **Trimester 1**
Length: **ongoing**
Status: **Published**

Brief Summary of Unit

The ability to understand and incorporate wellness practices into one's daily living is vital to the well-being of our students and directly correlates to their optimal overall health. Effective health practices provide students with the potential for success when choosing a career and allow for the pursuit of any career interest. When taking this course, students develop their understanding of the interrelationship between wellness, overall well-being and success.

This unit will lead students to explore effective communication skills, strategies for decision making and goal setting, as well as the proper steps to take in maintaining a positive, healthy lifestyle.
