

Unit 3: Musical Expression

Content Area: **Music**
Course(s):
Time Period: **Marking Period 1**
Length: **30/45 Days**
Status: **Published**

Brief Summary of Unit- Revised June 2021

In this unit, intermediate musicians will continue to learn that expressive qualities enhance our instrumental playing and performances. Variations of tempi, dynamics, articulations, form, style and timbre give musicians a range of options to elevate their performances. Exploring different musical forms and styles provide opportunities to recognize contrasting sections in music and assists in performing diverse repertoire. By providing musicians with sequential, developmentally-appropriate instruction in the area of musical expression, they will be able to create, perform, present, produce, respond, and connect with their instrument in a meaningful, musical way.

SEL Competency Connections for Intermediate Instrumental Music

Intermediate instrumental music instruction inherently fosters the growth of the five social and emotional learning (SEL) competencies (self-awareness, self-management, social awareness, relationship skills, and responsible decision making).
