

Power Bar isn't your average fancy candy bar. In fact, it's not a candy bar at all, it's an energy bar. It's jam-packed with different vitamins, minerals, and a whole bunch of protein to get you energized for your workout. It's added energy boost is what you need to give it your all at the gym or finish the last mile of your run. And its all-natural ingredients are an added bonus as well.

## WHAT IS THE POWER BAR

It's a new line of energy bar that's exactly what you need to power your workout. Whether you're a marathon runner, olympic lifter, professional athlete, or just trying to get your daily workout in today, the Power Bar is for you! There's no need to go running around looking for a whole bunch of vitamins and supplements to get you ready to go because the Power Bar has it all! It's packed with B Vitamins that provide the energy you need for that last mile or rep at the gym. And once your workout is over, you don't have to make yourself a nasty protein shake to replace the protein you've lost because the Power Bar is already jam packed with protein to get you going. And get this! All the ingredients in the Power Bar are 100% natural and organic -- everything down to the smallest granola crumble. We use only the best here at Power Bar because we know that your body needs the best to be the best. Oh and the packaging is 100% biodegradable for all you nature heads out there. **Get Powered.**
