- end of unit or chapter test
- essay or rept
- oral examination
- participation in lecture, discussion or group work
- performance task or rubric checklist
- presentation
- projects
- structured observation

21st Century Life and Careers

CRP.K-12.CRP3

Attend to personal health and financial well-being.

CRP.K-12.CRP3.1

Career-ready individuals understand the relationship between personal health, workplace performance and personal well-being; they act on that understanding to regularly practice healthy diet, exercise and mental health activities. Career-ready individuals also take regular action to contribute to their personal financial well-being, understanding that personal financial security provides the peace of mind required to contribute more fully to their own career success.
