

Unit: Grade 5 - Expressive Qualities

Content Area: **Music**
Course(s): **Music 5**
Time Period: **4 weeks**
Length: **1 Class Period per Week**
Status: **Published**

Unit Overview

In this unit, students will explore the various elements that effect the mood and style of music. Students will describe the dynamics, tempo, articulation, and major/minor harmony of a variety of musical examples, and they will demonstrate these elements while singing, moving, and playing classroom instruments.

Transfer

Students will be able to independently use their learning to...

- to know that music has a variety of moods and styles
- to know that various elements affect mood of the music
- to know definition of tempo, dynamics, articulation
- to gather data through all the senses
- to describe variations of tempo, dynamics and articulation and how they effect the mood of a song/musical selection
- to distinguish between major and minor harmony
- to build critical listening and thinking skills through analyzing music
