Unit Overview

The goal of this unit is to introduce students to the Spanish language, establish a foundation of vocabulary, and develop an understanding of the Spanish culture. In this Spanish unit, students will practice and enhance their comprehension, written and oral communication skills, and cultural understanding through the use of teacher lessons, games, and songs. All students will be able to use Spanish in addition to English to engage in meaningful conversation, to understand and interpret spoken and written language, and to present information, concepts, and ideas, while also gaining an understanding of the perspectives of the Spanish culture. Through language study, they will make connections with other content areas, compare the language and culture studied with their own, and participate in home and global communities.
