Unit Overview

The goal of this unit is to introduce students to the German language, establish a foundation of vocabulary, and develop an understanding of the German culture. In this German unit, students will practice and enhance their comprehension, written and oral communication skills, and cultural understanding through the use of teacher lessons, games, and songs. All students will be able to use German in addition to English to engage in meaningful conversation, to understand and interpret spoken and written language, and to present information, concepts, and ideas, while also gaining an understanding of the perspectives of the German culture. Through language study, they will make connections with other content areas, compare the language and culture studied with their own, and participate in home and global communities.
