

food glorious food

Content Area: **World Language**
Course(s): **Generic Course, German I CP**
Time Period: **2nd Marking Period**
Length: **4 Weeks**
Status: **Published**

Unit Overview

In Food glorious Food, students will learn about food and beverages and how to order and ask. Students will learn how to use pleasantries in their conversation. Students will gain a working knowledge of formal and informal when asking or requesting food or beverages. Students will also learn to recognize the difference between foods that are eaten and popular beverages they drink. Emphasis on cultural nuances of regions in German speaking countries and the US. Emphasis will be placed on communication and comprehension in everyday situations either in the home or in a cafe. Students will gain a working knowledge of the basic structure of the target language using the present tense. Students will learn about Euros as they relate to purchasing items in a cafe. Students will create a menu in the target language using foods, beverages that are common to German speaking countries with valid prices in Euros. Students will ultimately participate in a "live" cafe scenario ordering from a menu as if they were in a restaurant. Students will watch and discuss commercials in the target language and how they differ from commercials in the US. Students will discuss the relevance of fresh vs highly processed foods. Students will also discuss the impact of fast food entities on the German culture.

4. create a real menu in target language with comparable pricing in Euros

Summative Assessment

1. Mid-unit quizzes (given after sufficient material has been presented and formatively assessed)
2. End of unit exams
3. Mid or end of unit projects
4. Class presentations
5. create a menu

Formative Assessment and Performance Opportunities

1. "Do Now" activity
2. Exit slips
3. Review games
4. Surveys
5. Rough drafts
6. Think-pair-share activities
7. Peer-teaching and mentoring
8. Dictation exercises
9. Question and answer
10. Choral response
11. Teacher observation
12. Short activities produced by teacher and/or students
13. short verbal exchanges

Differentiation / Enrichment

DIFFERENTIATION:

1. Students will be strategically seated in an area of the classroom where distraction is minimal, enabling better focus on the lesson
2. Small group learning activities will be monitored for appropriateness of grouping and responses in the group. Grouping will be managed as necessary to provide modeling reinforcement and comfort of participation.
3. Graphic organizers, outlining, and other note-taking techniques will be presented to help students better comprehend text, class lectures, and discussions
4. Provide accommodations for individual learning styles

ENRICHMENT:

1. Provide students with supplemental resources to expand knowledge base and create experiences for deeper learning
2. Expand and extend concepts, theories, ideas, relationships, and generalizations
3. Provide opportunities to utilize learned material at a higher knowledge level

Unit Resources

1. Textbook - reference points
2. teacher created worksheets
3. Writing, audio, and visual representations listed in lesson plans
4. Leveled vocabulary and grammar from web resources
5. On-line menu samples
6. student created menu samples
7. commercials from German speaking countries
