Objective 1

Student will be able to independently comprehend narrative texts.

Learning Goal 1

Student will be able to paraphrase and summarize narrative text.

LA.RL.9-10.2	Determine a theme or central idea of a text and analyze in detail its development over the course of the text, including how it emerges and is shaped and refined by specific details and provide an objective summary of the text.
LA.RL.9-10.10b	By the end of grade 10, read and comprehend literature, including stories, dramas, and poems, at grade level or above.

Learning Goal 2

Students will be able to infer meaning, particularly theme, from narrative text.

LA.RL.9-10.1	Cite strong and thorough textual evidence and make relevant connections to support analysis of what the text says explicitly as well as inferentially, including determining where the text leaves matters uncertain.
LA.RL.9-10.2	Determine a theme or central idea of a text and analyze in detail its development over the course of the text, including how it emerges and is shaped and refined by specific details and provide an objective summary of the text.
LA.RL.9-10.3	Analyze how complex characters (e.g., those with multiple or conflicting motivations) develop over the course of a text, interact with other characters, and advance the plot or develop the theme.
LA.RL.9-10.10b	By the end of grade 10, read and comprehend literature, including stories, dramas, and poems, at grade level or above.

Learning Goal 3

Student will be able to define vocabulary in context within narrative texts.

LA.RL.9-10.4	Determine the meaning of words and phrases as they are used in the text, including figurative and connotative meanings; analyze the cumulative impact of specific word choices on meaning and tone (e.g., how the language evokes a sense of time and place; how it sets a formal or informal tone).
LA.RL.9-10.10b	By the end of grade 10, read and comprehend literature, including stories, dramas, and poems, at grade level or above.

Objective 2

Student will be able to utilize active reading strategies before, during, and after reading narrative texts.

Learning Goal 4

Student will be able to use prior experiences and knowledge to predict what will happen in a narrative text before reading.

LA.RL.9-10.1

Cite strong and thorough textual evidence and make relevant connections to support analysis of what the text says explicitly as well as inferentially, including determining where the text leaves matters uncertain.

LA.RL.9-10.9

Analyze and reflect on (e.g., practical knowledge, historical/cultural context, and background knowledge) how an author draws on and transforms source material in a specific work (e.g., how Shakespeare treats a theme or topic from mythology or the Bible or how a later author draws on a play by Shakespeare).

Learning Goal 5

Student will be able to use a variety of speaking and writing strategies to enhance comprehension during reading of narrative material.

LA.W.9-10.2

Write informative/explanatory texts to examine and convey complex ideas, concepts, and information clearly and accurately through the effective selection, organization, and analysis of content.

LA.SL.9-10.1

Initiate and participate effectively in a range of collaborative discussions (one-on-one, in groups, and teacher-led) with peers on grades 9–10 topics, texts, and issues, building on others' ideas and expressing their own clearly and persuasively.
