ELA Grade 7 Unit 1 Activity 1.12 - Print

1

Which **three** words describe character traits Phaethon and Arachne share that contribute to their downfall? Check three that apply.

- ☐ anger
- ☐ cleverness
- ☐ competitiveness
- ☐ divinity
- ☐ stubbornness
- ☐ recklessness

2

Why does Athene turn Arachne into a spider?

- A) She is jealous of Arachne's ability to weave.
- B) She wants to save Arachne from hanging herself.
- C) She wants to use Arachne to remind others of her power
- D) She is frustrated by Arachne's refusal to heed her warning.

3

How does the resolution of the Greek myth "Arachne" by Olivia E. Coolidge address the central conflict?

- A) It resolves the conflict between humans and nature by making Arachne a part of nature.
- B) It resolves the conflict between a human and a god by demonstrating Arachne's insignificance.
- C) It resolves the conflict between humans and nature by showing how much Arachne is like an animal.
- D) It resolves the conflict between a human and a god by allowing Athena and Arachne to compete as equals.
