

Internet Scavenger Hunt:

Remembering September 11, 2001

Name: _____

On September 11, 2001, terrorists hijacked four airplanes, using them to attack the World Trade Center buildings in New York City and other American targets. Use the information at the Web site below to answer the questions.

Web site: dogonews.com

URL: <http://www.dogonews.com/2012/9/10/9-slash-11-a-date-americans-will-never-forget>

1. How many people died in the terrorist attacks? _____

2. From what three cities were the planes hijacked?

3. Where was United Flight 93 believed to have been headed, and why did it not reach that place?

4. Why is the area near Shanksville, Pennsylvania important?

5. The tragedy of Sept. 11, 2001 made the U.S. more *resilient*. In your own words, what does *resilient* mean?

Something to think about: Read about the 9/11 Memorial at the site of the former World Trade Center complex: <http://www.911memorial.org/design-overview>. What do you like best about the memorial?

Learn more: The 9/11 Day Movement encourages people to remember the tragedy by doing good deeds. At <http://www.911day.org/>, read about how people are pledging to help others.
