Career Interest Survey

In order to choose a career that will give you personal satisfaction, you must spend some time thinking about what really interests you. This activity helps you match your interests to different types of careers. For each item, circle the letter of the activity you would rather do. It doesn't matter if you like both of them a lot or dislike both of them a lot; just pick the one you would rather do, and circle that letter.

		Operate a printing press Study the causes of earthquakes			Make three-dimensional items Analyze handwriting			Build kitchen cabinetsRefinance a mortgage	
		Plant and harvest crops Replace a car window and fender			Design indoor sprinkler systems Run a factory sewing machine			Sing in a concert Direct the takeoff/landing of planes
