

Unit 3 - The Challenge to Make a Difference

Content Area: **English Language Arts**
Course(s): **Generic Course**
Time Period: **Generic Time Period**
Length: **36-40 Class Periods**
Status: **Published**

Unit Overview

In the first part of this unit, you will read texts about the Holocaust that show both the tragedy of historical events and the ways in which people reacted to those events. This study will help prepare you to research current issues from around the world and choose one for which to create a persuasive multimedia campaign.

I remember: It happened yesterday, or eternities ago. A young Jewish boy discovered the Kingdom of Night. I remember his bewilderment, I remember his anguish. It all happened so fast. The ghetto. The deportation. The sealed cattle car. The fiery altar upon which the history of our people and the future of mankind were meant to be sacrificed. I remember he asked his father: Can this be true? This is the twentieth century, not the Middle Ages. Who would allow such crimes to be committed? How could the world remain silent?
