

Football II (7)

Content Area: **Physical Education**
Course(s): **Physical Education**
Time Period: **1 marking period**
Length: **3 Weeks**
Status: **Published**

Unit Overview

Football is a great activity to build a student's cardiorespiratory endurance, muscular strength and flexibility as well as their ability to cooperate with teammates to achieve a common goal. In this unit, students will learn the rules and essential movement skills, various passing routes, and man-to man and zone defense in order to successfully participate in a game of Football.

Transfer

Students will be able to independently use their learning to...

- participate successfully in a game of Football and enjoy the physical, social and mental benefits of the game to improve their overall health.

For more information, read the following article by Grant Wiggins.
