

Team Handball II (7)

Content Area: **Physical Education**
Course(s): **Physical Education**
Time Period: **3rd Marking Period**
Length: **2 Weeks**
Status: **Published**

Team Handball II Overview

Team handball is a great activity to build a student's cardiorespiratory endurance, muscular strength and flexibility as well as their ability to cooperate with teammates to achieve a common goal. In this unit, students will learn the rules and essential movement skills in order to successfully participate in a game of Team Handball.

Transfer

Students will be able to independently use their learning to...

- participate successfully in a game of Team Handball and enjoy the physical, social and mental benefits of the game to improve their overall health

For more information, read the following article by Grant Wiggins.
