## Floor Hockey III Overview

---

Floor Hockey is a great activity to build a student's muscular endurance and hand-eye coordination, as well as, their ability to cooperate with teammates to achieve a common goal. In this unit, students will learn the rules, essential movements skills, and offensive and defensive strategies in order to successfully compete in a game of Floor Hockey.

## Transfer

---

Students will be able to independently use their learning to...

-participate successfully in a game of floor hockey and enjoy the physical, social, and mental benefits of the game to improve their overall health.

---

For more information, read the following article by Grant Wiggins.
