

Unit I: Antebellum America and Early War

Content Area: **Social Studies**
Course(s): **Generic Course**
Time Period: **5 weeks**
Length: **Length of unit**
Status: **Published**

Unit Overview

The students will understand the efforts at compromise which ultimately failed to prevent Civil War. In the process of examining compromise, students will also understand the political, economic and social causes of the American Civil War.

Transfer

Students will be able to independently use their learning to connect the regional differences in the United States today to the American Civil War era.

Meaning

Understandings

Students will understand that...

- failure to compromise ultimately led to the Civil War
- state's rights impacted the Southern psyche
- the Constitution failed to anticipate the divide over the issue of slavery
- each side had advantages and disadvantages which helped and hindered the war effort

Essential Questions

Students will keep considering...

-Why is compromise important?

-What is a civil war?

-How do individuals and ideologies impact the decision to go to war?

-How did regional differences contribute to alienization and ultimately conflict between the sections?
