## Unit Overview

---

Softball is a team sport that develops movement, team skills, and strategies that will help identify the importance of lifetime activity. Teamwork, cooperation, and good sportsmanship behaviors enhance game play resulting in more enjoyable and successful movement experiences for all. Participating in a team sport will help promote one's overall well-being by improving their overall fitness level in the following fitness areas: cardiorespiratory endurance, muscular strength, muscular endurance, and flexibility.

## Transfer

---

Students will be able to independently use their learning to...

- continue participating in team sports to benefit their physical, social, and mental well-being.
- demonstrate the importance of working together with other students to achieve a common goal.
- encourage them to participate in a team sport outside of the PE class.
