

Unit 6: Contraception

Content Area: **Health**
Course(s): **Family Living I**
Time Period: **1 marking period**
Length: **1 week**
Status: **Published**

Unit Overview

Students will further their understanding of contraception and how it prevents pregnancy. Students will be drawn to the conclusion that abstinence is the best decision to make at this point in their lives.

Transfer

Students will be able to independently use their learning to...

-Choose the appropriate form of contraception that benefits their lifestyle choice.

For more information, read the following article by Grant Wiggins.

http://www.authenticeducation.org/ae_bigideas/article.lasso?artid=60

- Students will know the advantages and disadvantages of different methods of contraceptives.

HPE.2.3.12.A.CS1

Medicines come in a variety of forms (prescription medicines, over-the-counter medicines, medicinal supplements), are used for numerous reasons, and should be taken as directed in order to be safe and effective.

HPE.2.4.12.B.2

Evaluate information that supports abstinence from sexual activity using reliable research data.

HPE.2.4.12.B.3

Analyze factors that influence the choice, use, and effectiveness of safer sex methods and contraception, including risk-reduction and risk-elimination strategies.

Target 1

Students will be able to identify the effectiveness of each contraception.

- Students will be able to identify the effectiveness of each contraception.

Target 2

Students will be able to identify the disadvantages of each contraception.

- Students will be able to identify the disadvantages of each contraception.

Summative Assessment

- * Notebooks
- * Quizzes
- * Tests
- * Projects
- * Benchmark

21st Century Life and Careers

CRP.K-12.CRP1	Act as a responsible and contributing citizen and employee.
CRP.K-12.CRP2	Apply appropriate academic and technical skills.
CRP.K-12.CRP3	Attend to personal health and financial well-being.
CRP.K-12.CRP4	Communicate clearly and effectively and with reason.
CRP.K-12.CRP7	Employ valid and reliable research strategies.
CRP.K-12.CRP8	Utilize critical thinking to make sense of problems and persevere in solving them.
CRP.K-12.CRP11	Use technology to enhance productivity.
CRP.K-12.CRP12	Work productively in teams while using cultural global competence.

Formative Assessment and Performance Opportunities

- * Teacher observation
- * Class Participation
- * Discussions
- * Homework
- * Notebook

Differentiation/Enrichment

- * Modifications as per IEP/ 504 plans
- * Google classroom resources (powerpoint, guided notes)
- * Small group activities

- * Reteaching opportunities in textbook
- * Directed reading
- * Inclusion strategies in textbook
- * Motivating activities in textbook
