

Unit 1: The Road to Your License and the Driving Task

Content Area: **Health**
Course(s): **Classroom Drivers' Education**
Time Period: **1 marking period**
Length: **2 Weeks**
Status: **Published**

Unit Overview

This unit introduces the students to the driving task, which includes social, physical, and mental skills. The fundamentals of driving are second nature to good drivers. These basics will become second nature to the student as well. This unit will help students learn the steps to get your driver's license as well as the steps to becoming a good driver.

Transfer

Students will be able to independently use their learning to...

- understand the basic driving fundamentals to use when operating a vehicle.
- become a safer, more responsible driver throughout their life span.

For more information, read the following article by Grant Wiggins.
