## Watercolor Summary

---

Unit 1, Watercolor Painting, introduces artists to the basics and techniques of watercolor painting. It is designed to guide artists in the development of formal aesthetics and to motivate artists to develop the technical skills necessary to express their ideas. This course allows freedom of exploration and experimentation but places equal demands on proficiency of execution. We will explore techniques through still life, landscape, architectural and figurative subjects.

## **Learning Objectives**

---

- Analyze cultural and historical events that have impacted art-making.
- Create expressive watercolor paintings using art elements including line, shape, form, value, contour, and perspective.
- Describe and identify the stimuli for the creation of watercolor paintings.
- Experience and control watercolor as a medium.
- Formulate criteria for arts evaluation using the principles of positive critique and observation of the elements of art and principles of design, and use the criteria to evaluate works of art from diverse cultural contexts and historical eras.
- Interpret how audiences respond to works of art.
- Justify the impact of innovations in the arts and access to the arts on societies.
- Practice safe and responsible use of watercolor materials, equipment, and studio space.
