Course Overview

Sequence - Unit Titles, Summaries, & Number of Weeks per Unit (Total = 18 semester/36 year)

Preliminary Unit: Vamos a recordar- 5 weeks

Students will be able to communicate basic personal information in Spanish by introducing themselves, asking and answering simple questions, and using essential classroom language in simple, supported interactions.

Unit 1: Centroamérica y las personas - 5 weeks

Students will be able to describe different types of housing and community spaces while discussing daily routines and services in Caribbean societies.

Unit 2: Las Antillas y la vivienda - 6 weeks

Students explore living spaces and community life in the Caribbean. They learn to describe homes, chores, appliances, and neighborhoods while comparing cultural norms around housing.

Unit 3: Los Andes centrales y la moda- 4 weeks

This unit examines clothing and shopping habits in the Andean region. Students describe clothing, give commands, and reflect on the cultural meaning of traditional dress.

Unit 3.1 (Encuentros 1 Unit 7)- Argentina y el transporte y los viajes- 2 weeks

Students will be able to discuss travel and transportation in Argentina and narrate past events using the preterite tense, while learning about geography and movement in Argentine culture.

Unit 3.2 (Encuentros 1 Unit 8) | Theme: Chile y la naturaleza- 2 weeks

Students will be able to describe Chile's geography, natural environment, and political divisions, use numbers to provide details, and discuss environmental issues affecting the region.

Unit 4: Norteamérica y la comida - 5 weeks

Focused on food and cuisine, this unit invites students to explore culinary traditions in Mexico and the U.S. while learning how to talk about food preferences and make recommendations.

Unit 5: España y el bienestar y la salud - 5 weeks

This unit allows students to express opinions about the idea of personal well being & healthy lifestyles. Students will learn to do so through a Spain-focused lens, making space for learning about differences

found in the Mediterranean lifestyle.

[Reporting Student Progress](#) (link to NB's Assessment System)

All courses follow a balanced assessment system with Practice and Assessments.
Each category includes formative, summative and alternative assessments.

[Accommodations and Modifications](#) (link to menu)

Integrated accommodations and modifications for special education students, English language learners, students at risk of school failure, gifted and talented students, and students with 504 plans.
