

2023–2024 Gr3 Science Benchmark #4

Answer Key

Question 1. B – 1 Point

Standards

3-ESS2-1

Represent data in tables and graphical displays to describe typical weather conditions expected during a particular season.

Question 2. D – 1 Point

Standards

3-ESS2-1

Represent data in tables and graphical displays to describe typical weather conditions expected during a particular season.

Question 3. D – 1 Point

Standards

3-ESS2-2

Obtain and combine information to describe climates in different regions of the world.

Question 4. O – 4 Points

Standards

3-ESS2-1

Represent data in tables and graphical displays to describe typical weather conditions expected during a particular season.

Question 5. B – 1 Point

Standards

3-ESS2-1

Represent data in tables and graphical displays to describe typical weather conditions expected during a particular season.

Question 6. B – 1 Point

Standards

3-ESS2-1

Represent data in tables and graphical displays to describe typical weather conditions expected during a particular season.

Question 7. O – 3 Points

Standards

3-ESS2-2

Obtain and combine information to describe climates in different regions of the world.

Question 8.
