

Grade 5 Unit 3: Earth's Interactive Systems
Pacing Guide using Inspire Science Grade 5 Unit 3
1 day = 40 minute period

Day	Lesson	Inspire Resources
1	<p>Earth's Water System Module Opener</p> <p>Earth's Water System Lesson 1: What Covers Earth? Science Probe</p> <p>Earth's Water System Lesson 1: Encounter the Phenomenon</p>	<p>Interactive Presentation STEM Connection Storyline: Earth's Water System Module Pretest</p> <p>Interactive Presentation</p> <p>Interactive Presentation</p>
2	Earth's Water System Lesson 1: Inquiry Activity - Usable Water	Interactive Presentation
3	<p>Earth's Water System Lesson 1: Make Your Claim - CER</p> <p>Earth's Water System Lesson 1: Read About - Water on Earth</p> <p>Earth's Water System Lesson 1: Read About - Freshwater Sources</p>	<p>Interactive Presentation</p> <p>Interactive Presentation Lesson Vocabulary</p> <p>Interactive Presentation</p>
4	Earth's Water System Lesson 1: Inquiry Activity - Where Water is Found	Interactive Presentation
5	Earth's Water System Lesson 1: Lesson Review	Interactive Presentation
6	Earth's Water System Lesson 1: Lesson	Lesson Check

	<p style="text-align: center;">Check</p> <p style="text-align: center;">Earth's Water System Lesson 1: Vocabulary Check</p>	Vocabulary Check
7	<p>Earth's Water System Lesson 2: Human Impact on Water Science Probe</p> <p>Earth's Water System Lesson 2: Encounter the Phenomenon</p>	<p>Interactive Presentation</p> <p>Interactive Presentation</p>
8	Earth's Water System Lesson 2: Inquiry Activity - Test the Waters	<p>Interactive Presentation</p> <p>Collaboration Kit for supplies</p>
9	<p>Earth's Water System Lesson 2: Read About - Humans Affect Water</p> <p>Earth's Water System Lesson 2: Read About - Conservation</p>	<p>Interactive Presentation</p> <p>Lesson Vocabulary</p> <p>Interactive Presentation</p>
10	<p>Earth's Water System Lesson 2: Inquiry Activity - Effects of Acid Rain</p> <p>Earth's Water System Lesson 2: Read About - Effects of Acid Rain on Ecosystems</p>	<p>Interactive Presentation</p> <p>Collaboration Kit for supplies</p> <p>Interactive Presentation</p>
11	Earth's Water System Lesson 2: Inquiry Activity - Human Impact	Interactive Presentation
12	Earth's Water System Lesson 2: Lesson Review	Interactive Presentation
13	Earth's Water System Lesson 2: Lesson Check	Lesson Check

	Earth's Water System Lesson 2: Vocabulary Check	Vocabulary Check
14	Earth's Water System Lesson 3: Beach Changes Science Probe Earth's Water System Lesson 3: Encounter the Phenomenon	Interactive Presentation Interactive Presentation
15	Earth's Water System Lesson 3: Inquiry Activity - Wave Erosion	Interactive Presentation Collaboration Kit for supplies
16	Earth's Water System Lesson 3: Read About - Erosion and Deposition	Interactive Presentation Lesson Vocabulary
17	Earth's Water System Lesson 3: Inquiry Activity - River Erosion	Interactive Presentation Collaboration Kit for supplies
18	Earth's Water System Lesson 3: Floods Earth's Water System Lesson 3: Close Reading - Erosion and Deposition by Glaciers	Interactive Presentation
19	Earth's Water System Lesson 3: Read About - Mississippi Waterways Earth's Water System Lesson 3: Study Guide Foldables	Interactive Presentation Foldables
20	Earth's Water System Lesson 3: Lesson Review	Interactive Presentation Vocabulary Flashcards
21	Earth's Water System Lesson 3: Lesson Check	Lesson Check

	Earth's Water System Lesson 3: Vocabulary Check	Vocabulary Check
22	Earth's Water System Wrap Up	Interactive Presentation
23	Earth's Water System Test	
24	Earth's Other Systems Module Opener Earth's Other Systems Lesson 1: The Solid Earth Science Probe Earth's Other Systems Lesson 1: Encounter the Phenomenon	Interactive Presentation STEM Connection Storyline: Earth's Other Systems Module Pretest Interactive Presentation Interactive Presentation
25	Earth's Other Systems Lesson 1: Inquiry Activity - Predict the Flow of Water	Interactive Presentation Collaboration Kit for supplies
26	Earth's Other Systems Lesson 1: Make Your Claim - CER Earth's Other Systems Lesson 1: Read About - Features of the Geosphere Earth's Other Systems Lesson 1: Read About - Mountains	Interactive Presentation Interactive Presentation Lesson Vocabulary Interactive Presentation
27	Earth's Other Systems Lesson 1: Read About - Volcanoes Earth's Other Systems Lesson 1: Read About - Landslides	Interactive Presentation Interactive Presentation

38	<p>Earth's Other Systems Lesson 1: Read About - Earth's Soil</p> <p>Earth's Other Systems Lesson 1: Collect Evidence</p> <p>Earth's Other Systems Lesson 1: Read About - Types of Soil</p>	<p>Interactive Presentation</p> <p>Revisit the Make Your Claim Activity</p> <p>Interactive Presentation</p>
29	<p>Earth's Other Systems Lesson 1: Inquiry Activity - Effects of Soil on Water pH</p>	<p>Interactive Presentation</p> <p>Collaboration Kit for supplies</p>
30	<p>Earth's Other Systems Lesson 1: Lesson Review</p>	<p>Interactive Presentation</p>
31	<p>Earth's Other Systems Lesson 1: Lesson Check</p> <p>Earth's Other Systems Lesson 1: Vocabulary Check</p>	<p>Lesson Check</p> <p>Vocabulary Check</p>
32	<p>Earth's Other Systems Lesson 2: Where Do Thunderclouds Come From? Science Probe</p> <p>Earth's Other Systems Lesson 2: Encounter the Phenomenon</p>	<p>Interactive Presentation</p> <p>Interactive Presentation</p>
33	<p>Earth's Other Systems Lesson 2: Inquiry Activity - Warm and Cold Air Masses</p>	<p>Interactive Presentation</p> <p>Collaboration Kit for supplies</p>
34	<p>Earth's Other Systems Lesson 2: Read About - Earth's Atmosphere</p> <p>Earth's Other Systems Lesson 2: Read About - Weather Events</p>	<p>Interactive Presentation</p> <p>Interactive Presentation</p>

35	Earth's Other Systems Lesson 2: Close Reading - Climate	Interactive Presentation
36	Earth's Other Systems Lesson 2: Inquiry Activity - Chance of Extreme Weather	Interactive Presentation
37	Earth's Other Systems Lesson 2: Lesson Review	Interactive Presentation
38	Earth's Other Systems Lesson 2: Lesson Check	Lesson Check
	Earth's Other Systems Lesson 2: Vocabulary Check	Vocabulary Check
39	Earth's Other Systems Lesson 3: Use of Resources Science Probe	Interactive Presentation
	Earth's Other Systems Lesson 3: Encounter the Phenomenon	Interactive Presentation
40	Earth's Other Systems Lesson 3: Inquiry Activity - Overfishing	Interactive Presentation
41	Earth's Other Systems Lesson 3: Read About - Earth's Biosphere	Interactive Presentation Lesson Vocabulary
	Earth's Other Systems Lesson 3: Read About - Protecting Plants and Wildlife	Interactive Presentation
42	Earth's Other Systems Lesson 3: Inquiry Activity - Endangered and Extinct	Interactive Presentation
	Earth's Other Systems Lesson 3: Interactions Everywhere	

43	Earth's Other Systems Lesson 3: Inquiry Activity - Protecting Against Forest Fires	Interactive Presentation Investigator: Mediterranean Cypress Trees
44	Earth's Other Systems Lesson 3: Lesson Review	Interactive Presentation
45	Earth's Other Systems Lesson 3: Lesson Check Earth's Other Systems Lesson 3: Vocabulary Check	Lesson Check Vocabulary Check
46	Earth's Other Systems Wrap Up	Interactive Presentation
47	Earth's Other Systems Test	
48	Benchmark Review	
49	Benchmark Review	
50	Grade 5 Unit 3 Benchmark
