Rationale

Isolation can be a profound and challenging experience, yet the power of hope can transform despair into resilience and freedom. "Rita Hayworth and Shawshank Redemption", Stephen King's novella, provides a compelling narrative that explores these themes, making it an ideal text for examining how individuals cope with isolation and harness hope to overcome adversity.

The writing focus on argument asks students to consider societal issues such as prison, isolation, corruption, and treatment of prisoners to craft position papers arguing for or against change.

The benchmark focuses on an informative text "I went from Prison to Professor" provides an example of a text that both explores the themes of "Rita Hayworth and Shawshank Redemption", and provides a model position paper arguing for reform in the justice system. The writing task asks students to argue whether the treatment of the article's author in the justice system was fair or unfair allowing students to explore the themes taught in this unit and practice writing argument.
