

# ESL-LCD Level B- Unit 2- Intermediate LoCasale

Content Area: **ESL**  
Course(s):  
Time Period: **MP2**  
Length: **45**  
Status: **Published**

## Unit Focus

---

The focus on LCD B - Unit 2 will be elaboration: both in writing and speaking. Students will write multi-paragraph explanatory pieces. Students will read aloud their writing for peer review (critique and praise in L2). The instructor will be very cognizant of moving the student from functional/social language to early academic language.

## Rationale

---

This year-long English intermediate language learning development will strengthen control of L2 while using strategic scaffolds, explicit language instruction, and structured academic practice to access grade-level content. The ML student will grow to feel more comfortable communicating with content area teachers and participating with non-ML classmates. The instructor's objective this year is to provide support, advocate for students when necessary, and encourage a gradual release of ML-L2 communication.

This year the instructor will focus on: Reading - main ideas, supporting details. Writing - paragraph development, argumentative, and explanatory. Language- grammar and vocabulary development. Speaking & Listening- discourse and presentations.
