

ESL-LCD Level A- MP 1

Content Area: **ESL**
Course(s):
Time Period: **MP1**
Length: **45**
Status: **Published**

Course Rationale

This course is designed for English language learners who have little or no prior experience with English. LCD A is a single-period, foundational ESL class that provides explicit instruction in English language skills. Lessons are aligned with WIDA ELD standards and support the development of the four language domains: listening, speaking, reading, and writing. Instruction is integrated across core content areas—English Language Arts, Math, Science, Social Studies—and 21st Century Skills to promote both academic and social success.

WIDA ELD Standards

WIDA Levels 1-1.9: Entering to Emerging

- **Standard 1:** Social and instructional language — introducing self, asking/answering personal questions

Unit Focus

This 9-week unit introduces foundational social and academic language through thematic chapters in the iLit ELL Newcomer program. Topics include making new friends, navigating school, describing home life, and discussing daily and past activities. Students will acquire vocabulary, sentence structures, and functional grammar needed to communicate in personal, school, and community contexts.

Length of Time 9 Weeks	Themes	Summary
	making new friends	In this unit, students engage in scaffolded, theme-based lessons through the iLit ELL Newcomer curriculum. They build confidence using high-frequency vocabulary and grammatical structures to express personal information, navigate school, describe routines, and share past experiences. Lessons integrate visual supports, collaborative speaking, and guided reading/writing.
