Content Area: **Social Studies**  
Course(s):  
Time Period: **MP1**  
Length: **1 quarter**  
Status: **Published**

## Targeted Standards

---

SOC.6.1.8.CivicsPD.3.a	Cite evidence to determine the role that compromise played in the creation and adoption of the Constitution and Bill of Rights.
SOC.6.1.8.CivicsPI.3.d	Use data and other evidence to determine the extent to which demographics influenced the debate on representation in Congress and federalism by examining the New Jersey and Virginia plans.
SOC.6.3.8.CivicsPR.5	Engage in simulated democratic processes (e.g., legislative hearings, judicial proceedings, elections) to understand how conflicting points of view are addressed in a democratic society.

## Rationale

---

Students will explore the ideals expressed in the Declaration of Independence, providing the background for the next unit's study of how the Declaration inspired generations of Americans to fully realize its core concepts of liberty, equality, and justice. The United States Constitution and the state constitutions provide the structural framework for limited government and constitutional democracy, and understanding these documents is a crucial component of active citizenship. The unit concludes with an examination of the Bill of Rights and the amendment process as students understand that the Constitution is a living document and that American democracy is an ongoing experiment requiring their active participation.
