Rationale

The Fresh Pasta and Sauce unit allows students to synthesize prior culinary knowledge—such as mixing techniques, dough handling, knife skills, and sauce making—into a high-level, hands-on experience. By crafting fresh pasta from scratch and pairing it with complementary sauces. Additionally, the unit supports cultural literacy by connecting students to the historical and regional significance of pasta in global cuisines.

Essential Questions

Content Specific	Skills Specific
• How do different sauces pair with various pasta types and shapes? • How does regional and cultural history influence pasta dishes?	• What techniques are essential in making fresh pasta from scratch? • What role does timing and temperature play in pasta preparation?

	• What prior culinary knowledge can be applied to fresh pasta and sauce preparation?

Spiraling for Mastery

Content or Skill for this Unit	Spiral Focus from Previous Unit
