

US I- Unit 5

Content Area: **Social Studies**
Course(s):
Time Period: **MP2**
Length: **2 Weeks**
Status: **Published**

Targeted Standards

SOC.6.1.12.CivicsPI.2.b	Examine the emergence of early political parties and their views on centralized government and foreign affairs and compare these positions with those of today's political parties.
SOC.6.1.12.CivicsPR.2.a	Use primary sources to explain how judicial review made the Supreme Court an influential branch of government and construct an argument regarding the continuing impact of the Supreme Court today.

Rationale & Transfer Goals

The main focus of this unit is an analysis of early leadership in the United States. Through studying the leadership style of Washington, Adams, Hamilton, and Jefferson, students will develop an understanding of effective and ineffective traits of a leader which they can then apply to the current political climate.

Enduring Understandings - What are the most essential conclusions that students should be guided towards throughout this unit?

Debates about individual rights, states' rights, and federal power shaped the development of the political institutions and practices of the new Republic.

Essential Questions - What are the questions that will guide critical thinking about the content in this unit? Essential Questions should be thought starters toward the enduring understandings.

What problem-solving strategies can leaders use to manage conflict and change?

What qualities make one a good leader?

How has the constitution worked (and failed) in real situations?

Content/Objectives

Content - What students will know
