Content Area: **Pre-School**
Course(s):
Time Period: **February**
Length: **5-6 weeks**
Status: **Published**

Unit Overview

This unit has 7 week long investigations on clothes.

This study shows how to use children's interest in clothes to help them explore social studies and science concepts about different kinds of clothing and where and how clothes are made.

Enduring Understandings

People wear many different kinds of clothes.

People make clothes for different climates and special uses.

Essential Questions

What are the features of clothes?

How do we take care of our clothes?

How do people make clothes?

How is cloth made?

Where do we get our clothes?

What special clothes do people wear for work?

What other special clothes do people wear?

Integration of Career Readiness, Life Literacies and Key Skills

Performing assigned classroom jobs and duties

Technology and Design Integration

Students will interact with SmartBoard activities.

Students will interact with read-aloud texts both individually and as a large group.

Use of Shutterfly Share Site

Utilize programs on the iPad

Watch and interact with SchoolTube videos.

TECH.PK.8.2.2	Access materials on a disk, cassette tape, or DVD. Insert a disk, cassette tape, CD-ROM, DVD, or other storage device and press “play” and “stop.”
TECH.PK.8.2.3	Turn smart toys on and/or off.
TECH.PK.8.2.5	Operate frequently used, high quality, interactive games or activities in either screen or toy-based formats.
TECH.PK.8.4.1	Use basic technology terms in conversations (e.g. digital camera, battery, screen, computer, Internet, mouse, keyboard, and printer).

Interdisciplinary Connections

Units are interdisciplinary throughout the curriculum.

- AL.PK.9.1.2 Show curiosity and initiative by choosing to explore a variety of activities and experiences with a willingness to try new challenges (e.g., choosing harder and harder puzzles).
- AL.PK.9.1.3 Focus attention on tasks and experiences, despite interruptions or distractions (e.g., working hard on a drawing even when children nearby are playing a game).
- AL.PK.9.1.5 Bring a teacher-directed or self-initiated task, activity or project to completion (e.g., showing the teacher, "Look—I finished it all by myself!").
- AL.PK.9.2.2 Use the imagination to solve problems, use materials, role play, write stories, move the body, or create works of art (e.g., create pretend spinach out of torn green construction paper to serve for dinner).
- AL.PK.9.3.1 Recognize a problem and describe or demonstrate ways to solve it alone or with others (e.g., "I know! Jamar and I can work together to clean off the table so that we can have a place to eat lunch.")
- AL.PK.9.3.2 Use varied strategies to seek or recall information and to find answers (e.g., questioning, trial and error, testing, building on ideas, finding resources, drawing, or thinking aloud).
- AL.PK.9.4.1 Use prior knowledge to understand new experiences or a problem in a new context (e.g., after learning about snakes, children make comparisons when finding a worm on the playground).
- MA.PK.4.1.1 Count to 20 by ones with minimal prompting.
- MA.PK.4.1.2 Recognize and name one-digit written numbers up to 10 with minimal prompting.
- MA.PK.4.1.5 Use one to one correspondence to solve problems by matching sets (e.g., getting just enough straws to distribute for each juice container on the table) and comparing amounts (e.g., collecting the number of cubes needed to fill the spaces in a muffin tin with one cube each).
- MA.PK.4.1.6 Compare groups of up to 5 objects (e.g., beginning to use terms such as "more," "less," "same").
- MA.PK.4.3.1 Sort, order, pattern, and classify objects by non-measurable (e.g., color, texture, type of material) and measurable attributes (e.g., length, capacity, height).
- MA.PK.4.3.2 Begin to use appropriate vocabulary to demonstrate awareness of the measurable attributes of length, area, weight and capacity of everyday objects (e.g., long, short, tall, light, heavy, full).
- MA.PK.4.4.1 Respond to and use positional words (e.g., in, under, between, down, behind).
- HPE.PK.2.1.1 Develop an awareness of healthy habits (e.g., use clean tissues, wash hands, handle food hygienically, brush teeth, and dress appropriately for the weather).
- VPA.PK.1.2.1 Sing a variety of songs with expression, independently and with others.
- VPA.PK.1.2.3 Clap or sing songs with repetitive phrases and rhythmic patterns.
- VPA.PK.1.3.1 Play roles observed through life experiences (e.g., mom/dad, baby, firefighter, police officer, doctor, mechanic).
- VPA.PK.1.3.3 Participate with others in dramatic play, negotiating roles and setting up scenarios using costumes and props.
- SFLS.PK.6.1.1 Describe characteristics of oneself, one's family, and others.
- SFLS.PK.6.1.3 Express individuality and cultural diversity (e.g., through dramatic play).
- SFLS.PK.6.3.2 Identify, discuss, and role-play the duties of a range of community workers.

Differentiation

Students will be offered support and challenges as deemed appropriate.

Standards

ELA.PK.RI.PK.2	With prompting and support, recall important facts from a familiar text.
ELA.PK.RI.PK.3	With prompting and support, make a connection between pieces of essential information in a familiar text.
ELA.PK.RI.PK.4	With prompting and support, ask and answer questions about unfamiliar words in informational text.

ELA.PK.RI.PK.5	Identify the front and back cover of a book.
ELA.PK.RI.PK.6	With prompting and support, identify the role of author and illustrator in presenting ideas in informational text.
ELA.PK.RI.PK.7	With prompting and support, tell how the illustrations support the text (information or topic) in informational text.
ELA.PK.RL.PK.1	With prompting and support, ask and answer key elements in a familiar story or poem.
ELA.PK.RL.PK.2	With prompting and support, retell familiar stories or poems.
ELA.PK.RL.PK.4	With prompting and support, ask and answer questions about unfamiliar words in a story or poem read aloud.
ELA.PK.RL.PK.5	Recognize common types of literature (storybooks and poetry books).
ELA.PK.RL.PK.7	With prompting and support, using a familiar storybook, tell how the illustrations support the story.
ELA.PK.RL.PK.10	Actively participate in read aloud experiences using age appropriate literature in individual, small and large groups.
SCI.PK.5.1.1	Display curiosity about science objects, materials, activities, and longer-term investigations in progress (e.g., ask who, what, when, where, why, and how questions during sensory explorations, experimentation, and focused inquiry).
SCI.PK.5.1.2	Observe, question, predict, and investigate materials, objects, and phenomena during classroom activities indoors and outdoors and during any longer-term investigations in progress. Seek answers to questions and test predictions using simple experiments or research media (e.g., cracking a nut to look inside; putting a toy car in water to determine whether it sinks).
SCI.PK.5.1.4	Communicate with other children and adults to share observations, pursue questions, make predictions, and/or conclusions.
SCI.PK.5.1.5	Represent observations and work through drawing, recording data, and “writing” (e.g., drawing and “writing” on observation clipboards, making rubbings, charting the growth of plants).
SFLS.PK.6.3.1	Develop an awareness of the physical features of the neighborhood/community.
SFLS.PK.6.3.2	Identify, discuss, and role-play the duties of a range of community workers.
SFLS.PK.6.4	Children develop an awareness of the cultures within their classroom and their community.
